FROM SYED HYDER HUSAIN, Esq.,
EDITOR "THE SEARCHLIGHT."

To THE CHIEF SECRETARY,
To THE GOVERNMENT OF Madras
Patna

Dated Patna, the 2nd September 1918.

SIR,

On the 15th of July a Twice-Weekly English paper called *The Searchlight* was started by a Joint-Stock, Limited Liability Company called **The Behar Journals, Ltd.**, the Directors of which comprise almost all the leading public men in Behar. This Journal has been started to represent the views and sentiments of the educated classes in Behar and to keep the Government in touch with the wants and aspirations of the politically-minded classes, as also with the requirements and grievances of the masses. Although the paper is but five weeks old it has been already most favourably received by the leading organs of Indian public opinion in the various Provinces of the country which have published appreciative notices of it and acknowledged it as the accredited organ of Behar public opinion. In Behar itself the paper has been received by almost all classes and communities with cordiality and enthusiasm and our circulation of nearly two thousand after but a few weeks' existence is ample testimony of the measure of the popularity of *The Searchlight*.

In view of these facts I venture, as the Editor of the paper to approach you with the request that *The Searchlight* may be placed on the Editors' table for all the publications of your Government or Department.

I have the honour to be

Sir,

Your most obedient servant,

H. Husain
Editor.
