General Department.

Bombay Castle, 2nd October 1918.

From

G. A. Thomas, Esquire, I.C.S.,

Secretary to the Government of Bombay;

To

The Secretary to the Government of India,
Home Department (Public).

Sir,

I am directed to submit, for the consideration and orders of the Government of India, the question of omitting information under certain heads from the General Administration Report for 1917-18.

2. In June last the three divisional Commissioners in this Presidency submitted a joint representation to Government that, besides their ordinary work, most of the time of the Collectors and Prant officers would be occupied this year also with important work in connection with the war, especially recruiting and war loan collections. They therefore proposed that the Land Revenue Administration Reports for 1917-18 should be restricted to the following paragraphs only :-

- (1) Land Revenue recoveries, etc.
- (2) Takavi.
- (3) Prices.
- (4) Labour and Wages.
- (5) Public feeling and the press.
- (6) Trade and Industries.
- (7) Special matters connected with the war.

The Governor in Council accepted this proposal but directed that Collectors should note on any extraordinary circumstances under other heads.

3. It has now been brought to the notice of this Government that the Land Revenue Administration Report for

G. A. Thomas, Esquire, I.C.S.,

To
The Secretary to the Government of India,
Home Department (Public).

Sir,

I am directed to submit, for the consideration and orders of the Government of India, the question of omitting information under certain heads from the General Administration Report for 1917-18.

2. In June last the three divisional Commissioners in this Presidency submitted a joint representation to Government that, besides their ordinary work, most of the time of the Collectors and District officers would be occupied this year also with important work in connection with the war, especially recruiting and war loan collections. They therefore proposed that the Land Revenue Administration Reports for 1917-18 should be restricted to the following paragraphs only :-

- (1) Land Revenue recoveries, etc.
- (2) Takavi.
- (3) Prices.
- (4) Labour and Wages.
- (5) Public feeling and the press.
- (6) Trade and Industries.
- (7) Special matters connected with the war.

The Governor in Council accepted this proposal but directed that Collectors should note on any extraordinary circumstances under other heads.

3. It has now been brought to the notice of this Government that the Land Revenue Administration Report for

1917-18

1917-18 as prepared in accordance with the orders referred to in the preceding paragraph will not cover the following heads for the General Administration Report, viz :-

- (1) Alienation settlements.
- (2) Wards and other estates managed by Collectors.
- (3) Mines and quarries.
- (4) Tramways.
- (5) Emigration and immigration.
- (6) Revenue and rent-paying classes.
- (7) Working of Act VI of 1901.
- (8) Deccan Agriculturists' Relief Act.

In the opinion of the Governor in Council as the time of the Revenue officers is fully occupied with important work in connection with the war, it is not desirable to throw upon them the burden of collecting information under the above heads. I am accordingly to enquire whether the Government of India have any objection to the omission of these heads from the General Administration Report for 1917-18, which is now under preparation.

4. It is requested that the decision of the Government of India may be communicated by telegram.

I have the honour to be,

Sir,

Your most obedient servant,

Sd. G. A. Thomas

Secretary to the Government of Bombay.
