Oct 8th 1918

Dear Sir. His Excellency Lord Pentland told me he would very kindly use his influence to get Passports for the Matrons from England whom we have been waiting for since 1915.

We would base our claim as urgent for the following reasons.

(1) During the war, European Children cannot get home & the number of boarders is consequently much larger than in normal times.

(2) The School ^{being} for European children it is very important that only pure European Matrons should have charge of the children entrusted to our care in the Boarding Home, and it is practically impossible to get there in India. I subjoin the names & addresses

of the matrons & should be very glad if
Passports could be given them in time to
reach India by the time School re-opens
early next February.

I am,
Yours very truly,
Wm. Theobald

C. No. 398 From Rev. Theobald of 8.10.18.

Reference is in this
communication ^{dealt with in G.O. 230 Pub. of 15.7.18} to the general
question ^{regarding the} granting of permission
to ladies to proceed from England
to India in order to take up
definite employment in this country.
In para 6 of their letter (pp 4-5
C.7. in the above G.O.) the G.O. I.
have suggested that the St.
George's Home & similar
institutions might be able to
find temporary employes among the ladies in India
who have been refused ^{permission} to
return home.

2. But Rev. Theobald says
it is practically impossible to
find suitable Europeans ^{unknown} in India
for the Boarding Home & requests
assistance in getting out passports
for matrons from England.

3. Subd. for consideration
whether any recommendation will
be made by His Govt. to the Secy of
State. No case may be transferred.

Have three with orders on the above point.
