The Commissioner of Police,

Sir,

PASSPORT.

With reference to your memorandum of November 15th I hand you herewith the documents called for.

I desire to go to England on urgent business in connection with my firm. During the past three years my firm has been almost entirely employed upon munitions work. This has necessitated neglecting our import and export business to such an extent that it is essential for me to see our home connections and attempt to put our trade with them on the same footing as it was before we took up Government work.

Mrs. Chettle has not been home since 1914. In the interval she has been nursing as a member

of the Q.A.M.N.S.I. for two years. The last 18 months on the Hospital Ship " Takada " which she left in April 1918 as her health could stand it no longer.

She spent the hot weather of 1917 up the Persian Gulf and the winter of the same year on the East & South African coasts making two hot weathers running.

I have the honour to be,
Sir,
Your obedient servant,

H. Halbert Chettle
