The West Coast Reformer,

Calicut, 15th Novr, 1918.

To,

The Chief Secretary

To the Government of Madras.

Sir,

I beg to invite your kind attention to the following facts regarding the supply of Government Orders, etc., for the Editor's Table:

While I am thankful for the supply of these useful papers so far as they go, I regret to find that some exceedingly useful reports are not supplied to this office. For instance, I have just received the G. O. on the report of Medical Department. The text of this paper contains the salutory word "recorded". It does not contain even the summary of the report. I need hardly state that the detailed information about Medical Institutions is of the highest importance, and interest to the public. I should have made very good use of the report if it had been supplied. As it is, the G. O. is of no use to my readers. Almost the same is the case with the G. O's on Public Instruction, Civil Justice, and Criminal Justice. These reports are highly useful to the public but are not supplied to this office.

I may be allowed to state that every informing report issued by Government is fully utilised for Public Information in the editorial columns of this journal. I therefore request that you may be pleased to order that all such Administration Reports, together with the G. O's thereon, may be supplied to the West Coast Reformer.

I have the honour to be,

Home (Miscellaneous) & P. Sir,

Your most obedient servant.

In view of the circumstances explained in the S.G.P.'s letter it is for consideration whether the Editor of the West Coast Reformer should be furnished with the departmental reports. From a perusal of the list of newspapers and institutions admitted to E.T. privileges (vide Att. b. 575 of 26.7.18) it appears that Editors of this status are not accorded that privilege.

Further the departmental reports are available for sale and a provincial journalist can purchase such of them as are of real interest to him.

Perhaps the Editor may be asked to state that the Govt. can not comply with his request. A draft order is laid.
