ISSUANCE OF PASSPORTS AND GRANTING OF PERMITS TO DEPART FROM AND ENTER THE UNITED STATES.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Whereas by Act of Congress approved the twenty-second day of May, one thousand nine hundred and eighteen, entitled "An Act to Prevent in Time of War Departure From and Entry Into the United States Contrary to the Public Safety," it is provided as follows:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That when the United States is at war, if the President shall find that the public safety requires that restrictions and prohibitions in addition to those provided otherwise than by this Act be imposed upon the departure of persons from and their entry into the United States, and shall make public proclamation thereof, it shall, until otherwise ordered by the President or Congress, be unlawful—

(a) For any alien to depart from or enter or attempt to depart from or enter the United States except under such reasonable rules, regulations, and orders, and subject to such limitations and exceptions, as the President shall prescribe;

(b) For any person to transport or attempt to transport from or into the United States another person with knowledge or reasonable cause to believe that the departure or entry of such other person is forbidden by this Act;

(c) For any person knowingly to make any false statement in an application for permission to depart from or enter the United States with intent to induce or secure the granting of such permission either for himself or for another;

(d) For any person knowingly to furnish or attempt to furnish or assist in furnishing to another a permit or evidence of permission to depart or enter, not issued and designed for such other person's use;

(e) For any person knowingly to use or attempt to use any permit or evidence of permission to depart or enter not issued and designed for his use;

(f) For any person to forge, counterfeit, mutilate, or alter, or cause or procure to be forged, counterfeited, mutilated, or altered, any permit or evidence of permission to depart from or enter the United States;

(g) For any person knowingly to use or attempt to use or furnish to another for use any false, forged, counterfeited, mutilated, or altered permit, or evidence of permission, or any permit or evidence of permission which, though originally valid, has become or been made void or invalid.

SEC. 2. That after such proclamation as is provided for by the preceding section has been made and published and while said proclamation is in force, it shall, except as otherwise provided by the President, and subject to such limitations and exceptions as the President may authorize and prescribe, be unlawful for any citizen of the United States to depart from or enter or attempt to depart from or enter the United States unless he bears a valid passport.

SEC. 3. That any person who shall willfully violate any of the provisions of this Act, or of any order or proclamation of the President promulgated, or of any permit, rule, or regulation issued thereunder, shall, upon conviction, be fined not more than \$10,000, or, if a natural person, imprisoned for not more than twenty years, or both; and the officer, director, or agent of any corporation who knowingly participates in such violation shall be punished by like fine or imprisonment, or both; and any vehicle or any vessel, together with its or her appurtenances, equipment, tackle, apparel, and furniture, concerned in any such violation, shall be forfeited to the United States.

SEC. 4. That the term "United States" as used in this Act includes the Canal Zone and all territory and waters, continental or insular, subject to the jurisdiction of the United States.

The word "person" as used herein shall be deemed to mean any individual, partnership, association, company, or other unincorporated body of individuals, or corporation, or body politic.

And whereas other provisions relating to departure from and entry into the United States are contained in section three, subsection (b), of the Trading with the Enemy Act, approved October 6, 1917, and in section four thousand and sixty-seven of the Revised Statutes, as amended by the Act of April 16, 1918, and sections four thousand and sixty-eight, four thousand and sixty-nine, and four thousand and seventy of the Revised Statutes, and in the regulations prescribed in the President's proclamations of April 6, 1917, November 16, 1917, December 11, 1917, and April 19, 1918;

And whereas the Act of May 20, 1918, authorizes me to coordinate and consolidate executive agencies and bureaus in the interest of economy and more efficient concentration of the Government;

Now, THEREFORE, I, Woodrow Wilson, President of the United States of America, acting under and by virtue of the aforesaid authority vested in me, do hereby find and publicly proclaim and declare that the public safety

requires that restrictions and prohibitions in addition to those provided otherwise than by the Act of May 22, 1918, above mentioned, shall be imposed upon the departure of persons from and their entry into the United States; and I make the following orders thereunder:

1. No citizen of the United States shall receive a passport entitling him to leave or enter the United States, unless it shall affirmatively appear that there are adequate reasons for such departure or entry and that such departure or entry is not prejudicial to the interests of the United States.

2. No alien shall receive permission to depart from or enter the United States unless it shall affirmatively appear that there is reasonable necessity for such departure or entry and that such departure or entry is not prejudicial to the interests of the United States.

3. The provisions of this proclamation and the rules and regulations promulgated in pursuance hereof, shall not be held to suspend or supersede in any respect, except as herein expressly provided, the President's proclamations of April 6, 1917, November 16, 1917, December 11, 1917, and April 19, 1918, above referred to; nor shall anything contained herein be construed to suspend or supersede any rules or regulations issued under the Chinese exclusion law or the immigration laws, except as herein expressly provided; but the provisions hereof shall, subject to the provisos above mentioned, be regarded as additional to such rules and regulations. Compliance with this proclamation and the rules and regulations promulgated in pursuance hereof shall not exempt any individual from the duty of complying with any statute, proclamation, order, rule, or regulations not referred to herein.

4. I hereby designate the Secretary of State as the official who shall grant, or in whose name shall be granted, permission to aliens to depart from or enter the United States; I reaffirm sections twenty-five, twenty-six, and twenty-seven of the Executive Order of October 12, 1917, vesting in the Secretary of State the administration of the provisions of section three, subsection (b), of the Trading with the Enemy Act; I transfer to the Secretary

of State the executive administration of Regulations 9 and 10 of the President's proclamation of April 6, 1917, of Regulation 15 of the President's proclamation of November 16, 1917, and of Regulations 1 and 2 of the President's proclamation of December 11, 1917, and the executive administration of the aforesaid regulations as extended by the President's proclamation of April 19, 1918, said executive administration heretofore having been delegated to the Attorney General under dates of April 6, 1917, November 16, 1917, December 11, 1917, and April 19, 1918. The Rules and Regulations made by the Secretary of the Treasury as authorized by Title II, section one, of the Espionage Act approved June 15, 1917, and by the Executive Order of December 3, 1917, shall be superseded by this proclamation and the rules and regulations promulgated in pursuance hereof in so far as they are inconsistent therewith.

I hereby direct all departments of the Government to cooperate with the Secretary of State in the execution of his duties under this proclamation and the rules and regulations promulgated in pursuance hereof. They shall upon his request make available to him for that purpose the services of their respective officials and agents. The Secretary of the Treasury, the Secretary of War, the Attorney General, the Secretary of the Navy, the Secretary of Commerce, and the Secretary of Labor shall, at the request of the Secretary of State, each appoint a representative to render to the Secretary of State, or his representative, such assistance and advice as he may desire respecting the administration of this proclamation and of the rules and regulations aforesaid.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

DONE in the District of Columbia, this 8th day of August in the year of our Lord one thousand nine hundred and eighteen, and of the Independence of the United States the one hundred and forty-third.

[SEAL.]

WOODROW WILSON.

By the President:

ROBERT LANSING,
Secretary of State.

EXECUTIVE ORDER.

RULES AND REGULATIONS GOVERNING ISSUANCE OF PERMITS TO ENTER AND LEAVE THE UNITED STATES.

Supplemental to the presidential proclamation of August 8, 1918, and by virtue of the authority set forth therein, I hereby prescribe the following rules and regulations governing departure from and entry into the United States.

SECTION 1. The present system of controlling entry into and departure from the United States by alien enemies and other persons, as administered by the Department of State, the Department of the Treasury, the Department of Justice, the Department of Commerce, and the Department of Labor, is hereby confirmed and established by virtue of the authority vested in me as aforesaid and shall continue in full force and effect in the continental United States as defined herein until 6 o'clock in the forenoon of September 15, 1918, and in the outlying possessions of the United States until such time or times as the Secretary of State shall designate; when the following rules and regulations shall become operative and shall supersede all rules, regulations, and orders of the present system inconsistent with them; but the Secretary of State may direct at any time subsequent to the date hereof that seamen be kept on their vessels. (See section 10 (c), *infra*.) The Secretary of State is hereby authorized, in his discretion, to prescribe exceptions to these rules and regulations governing the entry into and departure from the United States of citizens and subjects of the nations associated with the United States in the prosecution of the war.

ISSUANCE OF PASSPORTS.

TITLE 1.

DEFINITIONS.

SEC. 2. The term "United States" as defined in the act of May 22, 1918, and as used herein includes the Canal Zone and all territory and waters, continental and insular, subject to the jurisdiction of the United States.

SEC. 3. The term "continental United States" as used herein includes the territory of the several States of the United States and Alaska.

SEC. 4. The term "departure from the United States" as used herein includes, in addition to any entry whatever upon foreign territory or waters, any trip or journey on or over (1) the Great Lakes or their connecting waters, (2) any rivers or other waters coinciding with or covering the boundary of the United States, or (3) tidal waters beyond the shore line of the United States, said shore line being hereby defined as the line of seacoast and the shores of all waters of the United States and its territorial possessions connected with the high seas and navigable by ocean-going vessels: *Provided, however,* That no trip or journey upon a public ferry having both termini in the United States and not touching foreign territory or waters shall be deemed a departure from the United States.

SEC. 5. The term "passport" as used herein includes any document in the nature of a passport issued by the United States or by a foreign government, which shows the identity and nationality of the individual for whose use it was issued and bears his signed and certified photograph.

SEC. 6. The granting of a "permit" or "permission" to leave or enter the United States, as the terms are used herein, shall be construed to include the granting of a license under section 3 (b) of the Trading with the

Enemy Act whenever such license is essential to the lawful transportation of the person to whom the permit is granted. Wherever it is provided explicitly or by implication that any person may depart from or enter the United States without a permit or permission under these regulations, such provision of itself shall be construed as a license under said section 3 (b) authorizing the transportation of such persons within the limits covered by the provision.

SEC. 7. The term "seaman" as used herein includes, in addition to the persons ordinarily described thereby, seagoing fishermen and all owners, masters, officers, and members of crews and other persons employed on vessels which for purposes of business or pleasure cruise on tidal waters beyond the shore line or on the Great Lakes.

SEC. 8. The term "hostile aliens" includes—

(a) All persons who are alien enemies as now or hereafter defined by statute, or by proclamation of the President; and

(b) All subjects or citizens of enemy or ally of enemy nations.

TITLE 2.

LIMITATIONS UPON AND EXCEPTIONS TO THE APPLICATION OF THE ACT OF MAY 22, 1918.

SEC. 9. The following general limitations upon and exceptions to the application of the act of May 22, 1918, are authorized and prescribed:

(a) No passports or permits to depart from or enter the United States shall be required of persons *other than hostile aliens* traveling between ports of the continental United States on vessels making no intermediate calls at foreign or noncontinental ports. *Hostile aliens must obtain permits for all departures from, and entries into, the United States.*

(b) No passports or permits to depart from or enter the United States shall be required of persons *other than hostile aliens* traveling between points in the continental United States and points in Canada or Bermuda, or passing through Canada on a trip between two points in the continental United States, except as provided and required by Title 3 of these regulations. This exception

is not applicable to persons going from the continental United States via Canada to other places outside of the continental United States. Persons *other than hostile aliens* starting from Newfoundland for the United States shall not be required to obtain visas or verifications from the American consul in Newfoundland. (As to hostile aliens, see section 9 (a), *supra*.)

(c) No passports or permits to depart from or enter the United States shall be required of persons in or attached to the military or naval forces of the United States or of any nation associated with the United States in the prosecution of the war, provided that such persons when in or attached to the military or naval forces of a nation so associated with the United States shall be identified and vouched for to the Secretary of State by a duly authorized representative of such nation; and provided further that when persons in or attached to such military or naval forces travel separately or otherwise than in regular commands they shall bear certificates issued by the War or Navy Department of the United States or by a duly authorized representative of an associated nation, adequately establishing the identity of the bearers and their connection with the military or naval forces aforesaid. Nothing herein shall be construed to prevent a citizen of the United States, if a member of or attached to the military or naval forces of any country, from entering or leaving the United States provided he bears a valid passport in lieu of the certificate of identification above described. All such departures shall, however, be subject to the requirements of Title 3 of these regulations. The limitations and exceptions aforesaid are subject to the provisions of section 38 hereof.

SEC. 10. The following limitations upon and exceptions to the application of section 1, subsection (a) of the Act of May 22, 1918, are prescribed:

(a) Aliens need not present permits in the usual form for travel across the Mexican border provided that they bear valid permits to cross and recross the border at specified points issued by an immigrant inspector. In applying for these border permits they shall fill out such forms, furnish such photographs, and answer such

inquiries as the immigrant inspector shall require. The special permits so issued shall be valid for travel across the Mexican border for such limited period and for passage across the border at such specifically defined points as the issuing inspectors shall note on the permits. Except as otherwise provided by the Secretary of State, such permits shall be issued only to persons residing within 10 miles of the border and shall be valid for travel only to points not more than 10 miles beyond the border. Aliens entering Mexico with border permits must have such permits visaed by a diplomatic or consular representative of the United States in Mexico before returning to the United States unless the Secretary of State shall otherwise provide. Hostile aliens shall not be given permits to cross the Mexican border without special authorization from the Secretary of State.

(b) Hostile aliens residing in Canada or the United States may secure special permits allowing them to cross the border between the two countries by making application therefor to the representative of the Bureau of Immigration of the Department of Labor stationed nearest their place of residence. In applying for such permits they shall fill out such forms, furnish such photographs, and answer such inquiries as the official receiving the application shall require. The special permits so issued shall be valid for such limited period, for passage across the border at such specifically defined points, and for such number of crossings as the issuing officials shall note on the permits.

(c) Aliens who are seamen on vessels arriving at ports of the United States and who desire to land in the country shall apply to an immigrant inspector. They shall submit to such immigrant inspector satisfactory evidence of their nationality and furnish such photographs and execute such forms and applications as the immigrant inspector shall require. The immigrant inspector may thereupon issue identity cards authorizing such seamen to land in the United States, unless the Secretary of State directs that they be kept on their vessels.

(d) Alien seamen desiring to sail from the United States shall submit satisfactory evidence of nationality

to the United States customs inspectors stationed at the port of departure. If such applicants have landed in the United States since the date on which these regulations became effective at their port of arrival they shall further submit the identity cards issued by the immigrant inspector permitting them to land in the country. Said identity cards shall be stamped by the customs officials, if permission is given the applicants to depart, and such cards so stamped shall be the evidence of such permission. In case an applicant for permission to sail under this paragraph has not entered the United States since these regulations became effective, he shall apply to a collector of customs for an identity card and permission to sail. In making such application he shall submit satisfactory evidence of his nationality and furnish such photographs and execute such forms and applications as the collector of customs shall require.

(e) Identity cards issued to alien seamen as provided by the foregoing paragraphs (c) and (d) shall be retained by the seamen to whom they are issued and used by the holders from time to time as they land in and sail from the United States. An alien seaman bearing such card shall have the same validated for landing or sailing by the immigration or customs authorities, respectively, on each occasion when he applies for permission to land at or sail from a United States port.

(f) Aliens passing through the United States en route between two foreign points and not remaining in the United States more than 30 days shall make application for permission to depart through the immigration official acting as control officer at the point where they enter the United States. Such permission, if granted, will be given by the official acting as control officer at the designated point of departure. Nothing herein shall be construed as requiring a permit for departure from a transient alien in case such permit would not have been necessary if the journey to his final destination had commenced in the United States. A transient will be required to depart from the United States at the earliest date practicable. He shall submit to the immigrant inspector his itinerary to the port of departure, which shall be by the most direct route reasonably available, and upon obtain-

ing approval of the same he shall proceed immediately to the port of departure. Upon arrival at said port he shall report forthwith to the customs officers. For all deviations and delays special permission must be obtained from the Secretary of State.

(g) No permits to depart from or enter the United States shall be required of officials or representatives of foreign countries duly accredited to the United States or a friendly country provided that such persons bear valid passports and provided further that the Department of State is notified in advance of their intended entry or departure and consents thereto. Such officials, however, when desiring to enter the United States shall have their passports visaed by a diplomatic or consular officer of the United States in the country from which they come and in the country from which they embark for or enter the United States; and such officials desiring to depart from the United States shall have their passports visaed by the Department of State.

Nothing in the foregoing paragraphs (a) to (g), inclusive, shall be construed to prevent the entry or departure of an alien at the Mexican or Canadian border, of an alien seaman at a United States port, or of a transient alien at any point, provided he bears a valid permit for such entry or departure issued in accordance with Title 6 or Title 7 hereof.

SEC. 11. The following limitations upon and exceptions to the application of section 2 of the act of May 22, 1918, are authorized and prescribed:

(a) Citizens of the United States traveling between United States ports not within the continental United States, or between such ports and ports within the continental United States, on vessels making no intermediate calls at foreign ports other than those of Canada or Bermuda, shall not be required to bear passports provided that they have received from the immigrant inspector at the port of departure United States citizens' identity cards. Applicants for such cards shall supply such photographs and execute such forms and applications as the immigrant inspectors require. When applications for such cards are made in dependencies of the United States where no immigrant inspectors are stationed they shall be made to the governors of such dependencies or

their representatives duly appointed for the purpose: *Provided*, That employees of The Panama Canal and the Panama Railroad Company, and members of their families, civilian employees of the United States and members of their families, and the families of members of the Army and Navy, traveling between the continental United States and the Panama Canal Zone, may carry identity certificates issued by The Panama Canal in lieu of passports or identity cards issued by immigration officials.

(b) Citizens of the United States traveling across the Mexican border shall not be required, unless otherwise ordered by the Secretary of State, to bear passports, provided that they have received citizens' identity cards from immigrant inspectors at the points where they depart from or enter the United States. Such identity cards shall be applied for in accordance with the preceding paragraph (a). Except as otherwise provided by the Secretary of State, such identity cards shall be issued only to persons residing within 10 miles of the border and shall be valid for travel to points not more than 10 miles beyond the border. Citizens entering Mexico without passports and with identity cards must have such cards verified by a diplomatic or consular representative of the United States in Mexico before returning to the United States, unless the Secretary of State shall otherwise provide.

(c) Citizens of the United States who are seamen upon vessels entering or leaving ports of the United States shall not be required to bear passports provided that they bear seamen's certificates of American citizenship issued by collectors of the ports of the United States as provided for in section 4588 of the Revised Statutes. Citizens applying for such certificates shall supply such photographs and execute such forms and applications as the collectors shall require. No identity card other than a passport or a seamen's certificate shall be issued to a seaman who is a citizen of the United States.

Nothing in the foregoing paragraphs (a), (b), and (c) shall be construed to prevent the use of a valid passport by any seaman or other citizen referred to in said paragraphs in lieu of a seamen's certificate or identity card as described therein.

TITLE 3.

GENERAL REGULATIONS.

PERSONS LIABLE TO MILITARY SERVICE.

SEC. 12. No person registered or enrolled or subject to registry or enrollment for military service in the United States shall depart from the United States without the previous consent of the Secretary of War or such person or persons as he may appoint to give such consent. The Secretary of State shall issue no passport or permit entitling such person to depart without securing satisfactory evidence of such consent. Reference should be had to section 156, Selective Service Regulations, and amendments thereto.

TITLE 4.

AMERICAN CITIZENS—DEPARTURE AND ENTRY.

ISSUE OF PASSPORTS.

SEC. 13. The "Rules Governing the Granting and Issuing of Passports in the United States" as established on January 24, 1917, are continued in force without change.

VERIFICATION OF PASSPORTS IN FOREIGN COUNTRIES.

SEC. 14. Passports are not valid for return to the United States unless verified in the country from which the holder starts on his journey to the United States and further verified in the foreign country from which he embarks for or enters the United States. No fee shall be collected by diplomatic or consular officers of the United States for or in connection with such verification.

ALIENS' PERMITS TO DEPART AND ENTER.

TITLE 5.

PERMIT AGENTS.

SEC. 15. The officials designated in the appendix hereto are hereby appointed permit agents for the purpose of receiving from aliens applications for permits to depart from the United States. No permit agents have been designated in Tutuila, Manua, Guam, or Wake Island, as it is believed that travel from these points will not necessitate such appointments. For the time being persons desiring to leave any of these insular possessions may do so without securing permission hereunder.

SEC. 16. Representatives of the Bureau of Immigration of the Department of Labor stationed in Canada or on the Canadian border and all diplomatic and consular officers of the United States in foreign countries are hereby appointed permit agents for the purpose of receiving from aliens applications for permits to enter the United States.

SEC. 17. The Secretary of State is authorized to designate and appoint additional permit agents from time to time as he may deem advisable, and to revoke their appointments or the appointments of any permit agents aforementioned. All permit agents hereby or hereafter appointed are hereby authorized to administer any oath or affirmation required in these rules and regulations or in any amendment hereof or addition hereto. All persons empowered to issue special permits referred to in sections 10 and 11 hereof are hereby authorized to administer to applicants any oaths or affirmations deemed necessary in connection with their applications.

TITLE 6.

PERMITS TO DEPART.

SEC. 18. Except in cases for which special regulations are hereinbefore provided, any alien desiring to depart from the United States shall apply for a permit to the

permit agent located nearest to the last residence of the applicant. Any permit agent is authorized to receive an application to depart if it appears that the applicant would be caused unreasonable hardship or delay if required to apply to the permit agent nearest his last residence.

SEC. 19. Each applicant shall submit to the permit agent, for transmission to Washington if required, a passport issued for his use by the Government to which he owes allegiance or by a duly authorized diplomatic or consular officer thereof, or of the country representing in the United States the interests of his country. Such passports must have been issued, renewed, or visaed by a duly authorized representative of said Government, or of the country representing its interests in the United States, within 10 days prior to the time of the application. Aliens who, by reason of doubtful nationality, lack of nationality, or any other cause, are unable to secure passports may be granted permission to depart in the discretion of the Secretary of State.

SEC. 20. If the application is made to a permit agent located east of the Mississippi River, the application shall be made at least 14 and not more than 28 days before the date set for departure. If the permit agent is located west of the Mississippi River, the application shall be made at least 18 days and not more than 28 days before the date set for departure. In special cases additional time will be required for adequate investigation.

SEC. 21. Applications for permission to depart from the United States shall be made upon forms provided for the purpose by the permit agents and shall be executed by applicants according to the instructions printed thereon. Substantial copies of such forms and instructions are contained in the appendix to these regulations.

SEC. 22. Applications shall be executed in triplicate. All copies shall be personally signed and sworn to by the applicant before the permit agent. The permit agent shall fill in the name of the applicant on the left-hand margin of the application, and also the blanks for applicant's description. The remainder of the application need not be filled out by or in the presence of the permit

agent. If the applicant has conscientious scruples against taking an oath, he may make affirmation to the truth of his statements and answers in the application.

SEC. 23. Each application shall be accompanied by four unmounted photographs of the applicant, not smaller than 2 by 2 inches nor larger than 3 by 3 inches in size, on thin paper with a light background. If the applicant is able to write, he shall sign all four photographs across the front thereof so as not to obscure the features.

SEC. 24. A married woman accompanying her husband, or a child or children under 14 years of age accompanying either parent, may be included in the permit granted to the husband or parent and in such case will not be required to make a separate application. Photographs of persons so included in a husband's or parent's application must be furnished. Group photographs may be used in such cases.

SEC. 25. Every applicant shall furnish to the permit agent, in addition to any particulars required to be inserted in answer to the printed questions on the application blank, any information which may reasonably be required for the purpose of passing upon his application or for ascertaining the correctness of the particulars stated thereon or otherwise.

SEC. 26. Upon complying with these regulations, an applicant shall receive from the permit agent a card showing that the application for permission to depart has been filed. This card is not a permit to depart from the United States but is merely a receipt for the application and for the passport if that has been retained.

SEC. 27. Within seven days prior to the proposed date of departure from the United States, the applicant shall again appear before the permit agent who received his application. At this time, or as soon thereafter as his case is decided, he shall receive back his passport and, if permission to depart from the United States is granted, the permit agent shall affix applicant's photograph to the receipt card previously issued and shall note thereon the fact that such permission has been given. The card then becomes a provisional permit to depart from the United States and must be preserved carefully for presentation to the proper officials at the point of departure. Such

provisional permit is subject to revocation at any time without notice.

SEC. 28. An applicant desiring to leave the place where he makes application for permission to depart before receiving notice of the final action may arrange with the permit agent at the time of application that the provisional permit to depart, if granted, shall be given through a permit agent at some other point. The applicant's receipt card, in such case, shall contain a note to the effect that final action is to be taken by another designated permit agent. In such case, the applicant shall apply to the permit agent thus designated for notice of decision.

SEC. 29. A similar request for a change of permit agent may be made subsequently to the filing of the application. A request so made may be received by any permit agent but will not be granted without express authorization from the Secretary of State.

SEC. 30. Permits to depart from the United States will be granted to applicants by or under the authority of the Secretary of State when it shall appear that there is reasonable necessity for such departure, and when upon investigation such departure is deemed to be not prejudicial to the interests of the United States.

TITLE 7.

PERMITS TO ENTER.

SEC. 31. Subject to the exceptions and limitations hereinbefore set forth no alien shall be allowed to enter the United States unless he bears a passport duly visaed in accordance with the terms of the Joint Order of the Department of State and the Department of Labor issued July 26, 1917. Said Joint Order and the amendments thereto and instructions issued thereunder are hereby confirmed and made part hereof by reference, so far as their provisions are not inconsistent with these rules and regulations or with the President's proclamation of August 8, 1918. A copy of said Joint Order is inserted in the appendix to these regulations.

SEC. 32. In accordance with the provisions of the presidential proclamation of August 8, 1918, a visa

will be granted only when it shall appear that there is reasonable necessity for entering the United States and when upon investigation such entry is deemed to be not prejudicial to the interests of the United States.

SEC. 33. As a restriction additional to those provided by said Joint Order, hostile aliens shall not enter the United States from Canada unless they either secure visas in the manner prescribed by the Joint Order, or secure permits in the manner prescribed by Title 2, section 10, paragraph (b), of these regulations.

SEC. 34. An alien's passport duly visaed, together with a copy of the declaration required by said Joint Order, shall constitute a permit to enter the United States within the meaning of the act of May 22, 1918.

SEC. 35. Diplomatic and consular officers of the United States are authorized to collect the following fees:

For visaing each foreign passport (not including passports of officials), \$1.

For preparing visa declaration and administering oath, \$1.

For certifying to a copy of a visa declaration previously taken, \$1.

TITLE 8.

CONTROL AT POINT OF ENTRY AND DEPARTURE.

SEC. 36. The actual control of persons departing from the United States at all seaboard and lake ports shall be exercised by the representatives of the customs service of the Department of the Treasury, who shall act as control officers for this purpose. The actual control of persons departing from the United States by land and of all persons entering the United States shall be exercised by the representatives of the Bureau of Immigration of the Department of Labor, who shall act as control officers for this purpose. The Secretary of State may from time to time designate other persons to act as control officers at any place. In all cases where passports or/and permits to enter or depart are required under these regulations each traveler before entering or departing from the United States shall present his passport or/and permit to the control officer at the point of entry or departure. He shall also answer such questions and undergo such

examination as the control officer shall direct. If, as the result of such questioning and examinations, the control officer decides that the entry or departure of the holder of the passport or permit would be prejudicial to the interests of the United States, such persons shall not be allowed to enter or depart. Under such circumstances the control officer shall immediately notify the Secretary of State by telegraph of his decision and shall as soon as practicable, and in no case later than two days after such decision, forward to the Secretary of State a full report giving the reasons for detention and a full transcript of any testimony or information bearing on such decision.

SEC. 37. If the control officer shall be satisfied that the permit and passport are valid and regular and have been properly visaed, and that the holder presenting them is the person described therein, that neither of them has been altered or tampered with, and that the holder's departure or entry is not prejudicial to the interests of the United States, he shall allow the holder to depart from or enter the United States.

SEC. 38. In addition to the control as above set forth of persons generally required to secure permission to depart from or enter the United States, control may be exercised over individuals belonging to classes of persons generally allowed to depart or enter without permits or passports. A control officer may temporarily prevent the departure or entry of any such individual, in case he considers such departure or entry prejudicial to the interests of the United States. Such action shall be immediately reported to the Secretary of State with a full statement of the reasons therefor. An individual so prevented from departing or entering shall not be entitled to the benefit of any of the limitations or exceptions contained in section 9 hereof, and his departure or entry is forbidden unless, if an alien, he obtains permission from the Secretary of State, or, if a United States citizen, he obtains a valid passport.

EXPLANATION OF DIAGRAMS OF OUTGOING AND INCOMING TRAVEL.

The left-hand vertical columns of the diagrams designate, respectively, the classes of persons who will depart from, and the classes of persons who will enter, the United States. Three general classes are designated in accordance with national character. These classes taken together include *all* travelers. As a matter of fact, certain persons, according to their place of residence or their occupation, are entitled to special preferential treatment in respect of certain journeys. Consequently four special classes, somewhat subdivided, are designated. Until he becomes familiar with the diagrams, a permit agent must be careful in each case for which he uses them to examine both the general and special classifications, as he may otherwise enforce general rules against persons entitled to special preferences.

The top horizontal columns of the diagrams designate, respectively, the *ultimate destinations* of outgoing journeys and the *starting points* of incoming journeys. It will be observed that no trips between United States ports are listed on the incoming diagram. The reason for this omission is that wherever a permit for such a trip is required and issued, it constitutes not only evidence of conditional permission to depart but also evidence of conditional permission to enter at the destination of the trip.

The letters within the squares formed by the intersection of the horizontal and vertical lines indicate the documents required of the various classes of persons departing for the various destinations or entering from the various starting points. It should be borne in mind that in all cases where documents other than passports or regular permits are allowed, passports or regular permits are, nevertheless, available in lieu of such special documents.

The symbols employed in the diagrams, either singly or in combination, have the following values:

C =Command (military or naval).	P =Permit in regular form.
Ce=Certificate of American citizenship.	Pa=Passport.
D =Declaration.	S =Special permit.
I =Identity card.	V =Visa.
N =No documents required.	Ve=Verification.
	W =War Department.

For references to explanatory sections in the regulations, see in the index the words listed above under symbols.

APPENDIX A.

EXECUTIVE ORDER.

JOINT ORDER REQUIRING PASSPORTS AND CERTAIN INFORMATION FROM ALIENS WHO DESIRE TO ENTER THE UNITED STATES DURING THE WAR.

DEPARTMENT OF STATE,
DEPARTMENT OF LABOR,

Washington, D. C., July 26, 1917.

To Diplomatic and Consular Officers and Immigration Officers of the United States, Steamship and Railway Lines of the United States and Other Countries, Aliens, and All Others Concerned:

After due publication of this order in foreign countries every person leaving a foreign country for the United States (except persons starting from Canada) with the purpose of entering, passing through, or touching at a port of the United States shall be required, before he is permitted to enter the United States, to present a valid passport, or other official document in the nature of a passport, satisfactorily establishing his identity and nationality, with a signed and certified photograph of the bearer attached. A wife, or female child under 21 years of age, or male child under 16 years of age, may be included in the passport of the husband or parent, but a photograph of each must be attached to such passport. Each male child 16 years of age or over must carry a separate passport: *Provided*, That, where it is shown to the satisfaction of the Secretary of Labor that passports are denied to seamen to prevent their coming ashore in American ports for purposes of reshipment, the Secretary of Labor may authorize the admission of such seamen without the presentation of passports.

Each passport of an alien must be visaed by an American consulate, or the diplomatic mission if specially

authorized, in the country from which the holder starts upon his trip to the United States. If the country from which he starts on his trip to the United States is not the country to which he owes allegiance, he must also have his passport visaed by a diplomatic or consular officer therein of his own country. Moreover, every alien coming to the United States must have his passport, or document in the nature of a passport, visaed by a consular officer of the United States in the country from which he embarks for the United States, or, if he comes by land, from which he enters the United States. The form of such visa should read as follows: "Seen. Number _____. The bearer is to depart for the United States of America between (date) and (date)."

For the purpose of ascertaining the identity, nationality, and objects of aliens entering the United States (except those starting from Canada), each alien, except a duly accredited official, must, after due publication of this order, furnish to the American diplomatic or consular officer who visaes his passport, in the foreign country from which he starts on his trip to the United States, and to the American authorities at the port of entry or elsewhere in the United States, a written declaration setting forth the bearer's name, occupation, and nationality and the names and places of birth of the members of his immediate family who accompany him, and stating the following facts: (1) The date and place of the bearer's birth; (2) the nationality and race of his father and mother; (3) the place of the bearer's last foreign residence and the other places, if any, where he has resided within the past five years; (4) if he has ever been in this country, the dates and objects of his visits and the places and addresses where he resided or sojourned; (5) the date set for his departure for the United States, the port of embarkation, and the name of the ship on which he is to sail, if he goes by water; (6) names and addresses of persons acquainted with the applicant in the country from which he starts and in the United States; (7) the expected duration and object of his proposed visit to this country, the documentary or other proofs of such object submitted, and the place or places in the United States where he expects to sojourn or reside; (8) that the bearer knows and under-

stands the provisions of section 3 of the immigration act of February 5, 1917, excluding certain classes of aliens from the United States, and is certain that he does not fall within any of such classes; (9) that the bearer understands that if, on arrival at a port of the United States, he is found to be a member of a class excluded by said immigration law, he will be deported if practicable, or, if for any reason deportation should be found to be impracticable, will be held in detention indefinitely in an immigration station or other place of confinement, and that he is, with full understanding thereof, assuming all risks involved in a possible return trip in consequence of being rejected under such law. A wife or minor child who does not expect to reside with the husband or father in this country will be required to carry a separate declaration.

Each declaration must be affirmed or sworn to before a consular officer, or a diplomatic officer of the United States, if specially authorized, and signed in triplicate, and a photograph of the declarant must be attached to each copy with an impression of the official seal. The declaration must be made at least two weeks before the date of intended departure, except in cases of extraordinary emergency. One copy of the declaration must be filed in the embassy, legation, or consulate by which the passport is first visaed, one copy forwarded immediately to the Commissioner of Immigration or inspector in charge at the port of entry by which the declarant expects to enter the United States, and one copy fastened to the passport of the declarant, in such a way that it may be removed upon his departure from the United States. The copy last mentioned must be presented with the passport to the official at the port of entry into this country who examines passports, and to the immigration official who inspects the holder, and to such other officials in the United States as may be authorized to inspect such documents.

No fee shall be collected by diplomatic or consular officers of the United States for or in connection with the execution of such declaration or the visaing of passports.

No American embassy, legation, or consulate shall visa a passport of an alien enemy of the United States to enable him to enter this country unless special authorization of this Government has been previously obtained.

In order to prevent or avoid so far as possible the hardships and dangers involved in deportation under present conditions, a diplomatic or consular officer to whom a passport is presented for visa shall ascertain to the fullest extent practicable whether the holder is a member of any one of the classes excluded from the United States by the provisions of section 3 of the immigration act of February 5, 1917, and if in the judgment of such official the alien is a member of any such excluded class he shall so advise the alien, informing him of the serious risk he is taking in attempting to enter the United States, and, if the alien nevertheless insists on proceeding, shall visa the passport if it is valid, but shall place upon the alien's declaration the notation: "Advised that he will probably be rejected and deported." In such case the consul making the notation shall write upon the copy of the declaration to be sent to the proper immigration official in the United States a statement of his reasons for making it.

Aliens "likely to become a public charge," from whatsoever cause such likelihood may arise, are excluded by section 3 of the immigration act (S. Rep. No. 352, 64th Cong., 1st sess.). Unless, during the present state of war, aliens applying for admission present evidence by which their identity and nationality are positively proved, such aliens, if they enter the United States, are liable to be taken into custody as enemies and thereby become public charges. Therefore, immigration officials will exclude from the United States any alien who may apply for admission and not be in possession of a passport or other official document establishing his identity and nationality, visaed in the manner specified in this order, and will cause such alien to be returned to the country whence he came, at the expense of the transportation company involved: *Provided, however,* That such exclusion shall not be made in the cases of alien seamen arriving in ports of the United States, unless such seamen apply for permanent admission to this country, or unless it is necessary to require such papers in order to ascertain whether alien seamen are enemies of the United States; nor in the cases of aliens entering temporarily from contiguous foreign territory to follow agricultural pursuits, in accordance with the terms of Department of

Labor circular of May 23, 1917, and the supplements thereto. Alien seamen not provided with passports or other official documents showing their identity and nationality may be detained until they receive passports from the consular representatives of the countries whose nationality they claim. Any alien who enters the United States in violation of this order shall be arrested, in substantial conformity with rule 22 of the Immigration Rules, with a view to his deportation to the country whence he came, and his detention under proper restrictions until such deportation can be effected.

FRANK L. POLK,
Acting Secretary of State.
W. B. WILSON,
Secretary of Labor.
