30th May 1919.

Sir,

At the request of H.B.M.'s Consul-General Batavia I have the honour to inform you that one DJAAFAR MOLACHEILA is reported by his uncle, Hussein Molacheila, a Caieti subject now resident in Java, to be having difficulties with the Indian authorities in getting permission to proceed to Java from Madras.

2. The Molacheila in Java has been of considerable assistance to the British Government in various ways connected with the Hadramaut question, and the British Consul General in Batavia therefore requests that such assistance as may be possible may be given to his nephew in Madras.

3. It is not known why the nephew is detained in Madras or what sort of character he bears.

I have etc.,
