From,

THE JOINT SECRETARY TO THE
 Godavari District Association,
 COCANADA.

To,

The Chief Secretary to Government of Madras.

Sir,

I am directed to submit the following resolution passed at a meeting of the managing committee of association held on the 16th inst for due consideration of Government.

"The Godavari district association enters its emphatic protest against the action of the Ceylon government in conducting secret negotiations with the Madras govt with a view to the enactment of a labour law for Ceylon with the object of facilitating the supply of regulated Indian labour to Ceylon and urges the Madras Government to convene a conference of the representatives of the people of the Ceylon government to examine the terms of the proposed bill and report as to the extent to which they are calculated to ameliorate the admittedly deplorable and humiliating conditions - economic and civil - to which they are subjected to in the planting areas in Ceylon."

for a certificate is given that unless an order to the
 effect of decent existence adequate wages are normal
 life freedom are established by the Ceylon Government
 Government of Ceylon should take power to
 issue of life freedom to continue the prohibition of
 migration of Indian labourer to Ceylon and to lay down
 conditions under which labour recruitment to Ceylon
 in this practice should be permitted"
