Resolutions

1. This Conference of the Pulayas of Malabar respectfully assures their staunch loyalty to the British Raj, and emphatically condemns all attempts at creating discontent among the masses and respectfully submits to the Government that the Community is prepared to fight to the last drop of their blood in upholding the cause of Britain in India.
2. This Conference respectfully extends a most cordial

wellcome to Lord and Lady Wellington.

3. This Conference emphatically protests against the attitude of oppression of the so-called higher castes in denying them the elementary rights of humanity, and would point out to them that as Indians the Community has every right to demand equality with the highest caste in the land; that the Conference emphatically demands that the Community is "untouchable" and condemns the system of "untouchability".

4. This Conference respectfully begs to bring to the notice of the Government that the Community is denied admission to many Public Roads in Malabar, notably in Palghat, and other high caste strongholds, and humbly prays that such monstrous political disabilities imposed upon them be removed at an early date.

~~This Conference~~ ~~thanking~~ the Madras Government for their recent G.O. on Panchama Education respectfully requests that grants be withheld altogether from institutions that deny them admission.

The Conference begs to thank the Madras Government for appointing Mr. Paddison to inquire into the condition of the Panchamas, and respectfully requests the Government to send Mr. Paddison to Malabar at an early date.

This Conference resolves to memorialise His Holiness Sri Narayana Guru Swamy and the various presidents of Thirya temples to admit them into the temples.

This Conference requests the non-Brahman Deputation to place before the Prime Minister and the British Public the monstrous and inhuman political, social and economic disabilities imposed upon them in the name of religion, and to

155
implore them not to grant any political reforms without adequate communal representation.

9. This Conference requests the Government to appoint a special organiser of Co-operative stores for the benefit of the Community.

10. The Conference requests the Editors of Mitavadi and Margadarsi to lend them a little space in their respective papers to ventilate their grievances.

11. The president be authorised to communicate the resolutions to the Government of India, to the Government of Madras, to Dr. J. M. Nair, and to the press.
