Ganjam District Peoples Association,
BERHAMPORE

Dated 23 July 1919.

To,

His Excellency The Governor in Council

Fort Saint George - Madras.

May it please your Excellency,

I am directed by the Executive Committee of the Ganjam District Peoples Association to submit to your Excellency's Government a resolution of the Committee for favour of action regarding orders. This Association consists of moderate opinion in the district and includes within its membership leading merchants, landholders, ryots and other agricultural classes possessing substantial commercial and landed interests in the whole district in every taluk. This Association has been co-operating with the District Administration in all important matters whenever there is an opportunity to do so and has created a strong sense of responsibility among the members in discussing questions affecting the welfare of the district & the Province. The main object of the Association is not however political.

Ganjam District is one of the important districts in the Presidency and has a history relating back to the ancient Kings of Rajapatis. There are many zamindars and large landholders; it has a strong Telugu & Oriya press, there being three Oriya weekly newspapers and one Telugu weekly newspaper and has an important Municipality.

which has earned a good name for efficient management

The Committee keeps leave to submit that in such matters of public interest, such as the Public Board and the Pries Committee, representatives from districts which are nearer to Madras City and people from City are invited to these advisory committees or conferences and the interests of Ganjam are not taken into consideration therefore the Committee most respectfully states the people's voice does not reach the Government as far as the District is concerned. The Committee keeps that proper representation of the people of the district may be provided for by your excellency's Government in the formation of advisory committees & conferences.

I have the honor to be

servant
