ENCLOSURE

Memorandum from the Secretary to the Government of India, Foreign and Political Department, to the Resident at Baroda, No. 2075-G., dated Simla, the 12th August 1919.

Your letter No. 9617, dated 23rd July 1919. Registration certificates issued by South African authorities to Indians. The fact that these certificates do not bear photographs need not be a bar to their being utilized as passports but it is desirable that they should be scrutinized by some authority in India before the holder is permitted to embark and an endorsement to show that this has been done is a necessary concomitant to the procedure. This endorsement should be made on a separate certificate to be attached to the registration certificate and should read as follows :—

" This is to certify that _____, holder of Transvaal Registration Certificate, No. _____ dated _____ is permitted to embark from _____ on his return journey to _____ "

2. No fee need be charged for these certificates nor is it necessary that applications for them should be submitted on the usual attested form.
