Publicity Conference - Arrangements for
reporting

It was decided in Council that the Conference should be open to press reporters. Orders are solicited whether any special arrangement should be made for reporting the proceedings of the Conference.

No special arrangements were made for reporting the proceedings of the Food stuffs Conference. It is thought that arrangements should be made in this respect for the Publicity Conference, and that the Legislative Dept. may be requested to advise as to the procedure to be adopted in the matter. Mr. N. C. Rajagopala Chariar, the official Reporter for the Legislative Council, will probably have to be engaged for the work.

This conference cannot be compared with the Food stuffs

Conference which was a small informal meeting at which resolutions were passed on certain questions submitted to it; there were no 'Set speeches'. Mr. Chittambram

made notes of the resolutions passed, the
persons who attended & approved them & in
some cases noted reasons urged, I think.
In the case of the Publicity Conference
it seems necessary to get a full report
of the proceedings & if so it will be
necessary to ask M. N. C. Rajagopalachari
to undertake the work: he will probably
demand a fee

From para. 2 of the agreement
entered into with M. N. C. Rajagopalachari
Achariyar it will be seen that
his presence is obligatory only at

the meetings of the Legislative Council and of the Finance Committee. He is not bound to attend the meeting of any other special Committee even though it may be of the said Council. Much less therefore can Government insist on his attending other meetings. Phase also notes on pages 17 & 19 of the notes with fol. 4944-5 3.3.10.

2 The Revenue (Spl) may offer the job to him and arrange terms with him, in respect of the Publicity Conference. Recently his services were engaged while the Franchise Committee held their sittings at Madras and the fees were settled and paid by the Committee themselves.
