Passport - Pilgrims to Haj exemption from photo-graphs.

G.O. No. 1027 P. dated 9-11-18.

Letter from Abdul Wahab Sahib dated 17-6-1919.

I submit for the orders of the Government a copy of letter received from M. Abdul Wahab Sahib.

2. The petitioner refers to some supposed authority in Bombay exempting pilgrims proceeding to Haj from attaching photo-graphs to their applications for passports. I have received no such orders.

3. I presume that the orders contained in G.O. No. 1027 P. dated 9-11-18 might also be applied to gosha women proceeding to Hedjas.

Copy of letter from Md Abdul Wahab Sahib, 16, Mosque St, Triplicane
Madras dated 17th June 1919 to the Collector of Madras.

With regard to the photographs that are being taken along with the passports that are issued to the intending pilgrims to Haj to Arabia I have learnt through a vernacular paper, the " Handam " from a letter published in it by the Secretary of the Pilgrims' Protection Committee, Bombay that at present the authorities do not insist upon taking photographs of those Muslim Pilgrims proceeding on a pilgrimage to the Holy cities of Islam. Since it produces great hardships to Muslim ^{males} in general and ladies in particular who being gosha have to appear before males for taking a photo and again before the passport issuing authorities. Besides it affects the religious susceptibilities of the Muslims as a whole as we are forbidden to take a photo, purchase or sell it.

2. Hence I request you to be pleased to inform me at your earliest convenience whether the pilgrims proceeding from this place (Madras) are also exempted from producing a photo of their own when applying for their passports. This information is urgently required for the benefit of those who are intending to start immediately on voyage to Arabia as soon as your reply is received.

3. Thanking your in anticipation.

p30CF The D.M. Bellamy enquires whether photos are necessary in the case of passports for pilgrims proceeding to the Hejaz. It is only on receipt of the special passport forms referred to in India's letter that we can say whether photos are necessary or not. As it might take about a month to receive replies from all the persons of interest connected with India no 4597-1 84. 6. 19, it is for consideration whether some local forms may not be indicated for at once. Four of the ^{officers} persons addressed have replied & they want in all 250 forms. If any more forms are needed they can be indicated for afterwards. Draft letter to the Bombay Govt is sub for consideration.

On the photograph question raised by the S.M. Bellay, Countess his hammesane have had pp's issued to them & have had their photographs ~~in~~ taken in the usual way. I do not know if the taking of photographs is rendered specially objectionable by the fact that the applicant is going on a pilgrimage. I do think not. We may either

①. let the S.M. photographs must be supplied a usual: or

②. write to India for instructions. with ref to this wire m.p.c.

The only objection is in the case of parda nashin females. It is quite possible that Nasaruddin takes his wife with him.

However I should like to verify if the Special P.P. for expenses with photos & the reply to our msg be over the Board replies

Please see the telegram from
the Commission of Police, Madras. It
is not known what are the particulars
that have to be entered in the Special
passports for use by the pilgrims to
the Hedjaz nor whether special passport
application forms are necessary.
In the absence of any information regarding
these points no definite answer can
be given to the Commission. The Govt.
of Bombay may, perhaps, be telegraphed
to, to expedite the despatch of the
passport forms applies for & to state
whether special application forms for
use by intending pilgrims have been printed
~~photographs of applicants are necessary.~~
