MADRAS.

Sir,

I have the honour to submit the following recommendation for the opening of a Branch Post Office at Gorantla of Hindupur Taluk on administrative grounds and request that the same may be transmitted to the Post Master-General, Madras after according administrative sanction to the proposal.

Gorantla is a village in the Hindupur Taluk with a population of 2108 according to the census of 1911. It is the head quarters of a Revenue Inspector and the centre of extensive sugar cane cultivation and jaggery manufacture. It is also a place where a large weekly market is held. This market and jaggery manufacture have developed considerably of late. The village is therefore a flourishing one.

In his letter No. E.C. 2760 dated 8th October 1917, the Post Master-General, Madras stated that the cost of opening a Branch Office at Gorantla would be Rs. 10/- a month. The monthly income derived from the village was only Rs. 6-15-0 and that there was therefore no justification for the opening of a Post Office in the village. I am however confident that with the advent of a Post Office the Postal income from the village will rapidly develop and the Post office will soon pay its way. The importance of opening the Branch Office in the village on administrative grounds also outweighs the small anticipated deficit in the income at the commencement.

In these circumstances I consider the opening of a Branch Post Office at Gorantla quite necessary.

I have the honour to be,

Sir,
