Sir,

I have the honour to forward for the orders of Government an application from Mrs. E. M. Davies for a passport to travel to Mesopotamia.

2. On receipt of her application, she was asked to state the business on which she goes to Mesopotamia and the place where she intended to reside there. She was also informed that the business should be such that benefit will accrue to Force "D" there and that on receipt of the said

particulars the Local Government will forward her application to the Deputy Commissioner of Police, Criminal Investigation Department, Basrah, and that a passport will be issued to her by the Local Government on receipt of intimation from that officer that a passport can be issued to her--please vide G.Os. Copy of letter from Captain D. Tudor Davies, Mesopotamian Railways c/o. Miss Newell, Glen Kelso, Ootacamund to the District Magistrate, the Nilgiris, dated 8th August 1919.

With reference to your No. W.C. 360 M. of 6-8-19 regarding application for a passport, addressed to my wife, Mrs. E. M. Davies, I have the honour to call your attention to the newspaper cutting enclosed herewith and to inform you that I am a member of force "D", being a district engineer on the Military Railways, Mesopotamia.

I am returning to Baghdad about the 23rd of September (from

Bombay) and, to the best of my knowledge, I shall be residing there for some time to come.

Permission for my wife to proceed to Mesopotamia is being applied for on my behalf by the Director of Railways, Baghdad, from the military authorities in Mesopotamia and it would therefore appear unnecessary to refer to the Deputy Commissioner of Police, C.I.D., Basrah.

It is possible that my wife will not leave for Mesopotamia at the same time as myself as my quarters in Baghdad may not be ready but I shall be informed on this point by cable from Baghdad before I leave Ootacamund. I shall be obliged, however, if you will be good enough to obtain the passport as early as possible so that it may be ready in case she goes with me. I shall be leaving Ootacamund about the 14th of September.

The passport could remain in your custody until the necessary permission from the military authorities is produced.

European nurses will be permitted to accompany families and also Indian servants up to five in number, on the condition that the employer remains responsible for their repatriation.

All applications must be submitted to the General Officer Commanding the Division or Brigade in which the families are residing from whom all further particulars can be obtained.- (By wire).
