REGISTRAR HOME DEPARTMENT

GOVT. OF MADRAS

The Secretary to the Government of Madras.

Dated Rangoon, the 1st September 1919.

Sir,

I am directed to say that the newspapers mentioned in the accompanying statement are being supplied with annual reports of this Government as indicated therein. The Local Government has no means of knowing whether the newspapers are still in existence or should still be supplied with annual reports as nothing has been heard of them for several years. I am to request therefore that with the permission of His Excellency the Governor, - this Government may be informed if the newspapers are still in existence and whether similar official publications are supplied by the Government of Madras to them.

2. I am also to forward a list of official publications that are being supplied to the South Indian Association, Madras, and to say that the Local Government will be glad to be informed whether the supply of the publications should be continued.

I have the honour to be,

Sir,

Your most obedient servant,

for Secretary.
