To the Chief Secretary to Government.

Sir I have the honor to inform that in June last. I was asked to open a Board School at Thuvittanandal, Sivaigudalur Taluk, by the door of the building, a retired District Registrar. The building was closed for an ordinary purpose, but for the occasion of the opening ceremony a silver key had been made. After the opening of the door, the retired Registrar presented the key to me and I retained it. I find however from a reference to the Government Servant's Conduct Rules that under Rule 4, the retention of the key without the prior permission of Government was not permissible. I regret that I accepted this gift without permission in view of that by action be now condoned.

of this dept are put up in the file
now in Public Works Dept in connection
with the question of the

Swamy Aggar. A reference has
been made to the G & D in that
file.

P. W. D. may be requested
to put up the papers and also
state if a reply has been received
from the G & D in the other file.

6.1.19. This is said
to be necessary. Silver keys
are a well-known

precedent & in every case
on which their permission
has been sought, but have
refused to allow retention & have
insisted on return of the key to the
donor.

Yes. When the donor is an
individual there is no difficulty
as it should be a Committee of people
who may be difficult to get.

But Reference is directed to the
Chief Secy's marginal note
on the current.
