A - We cannot well record the correspondence without ascertaining definitely from the S. G. P. that he has a regular distribution list under the Press room

scheme & whether the no. of copies which the Govt. of India have allotted is sufficient for the purpose, or whether any selection should be made from the list. Please put up a telephonic reference to the Suplt.

B - Though the intention seems clear, we have not had any definite orders from the Govt. of India. It is well we make the reference while we are getting the Chapter read. 'C' The intention is not to ask for any extension. The chapter is to be written by the U.S.
