I, Henry Campbell Perkins do hereby certify that Mr. L.C. Hodgson
Director of Public Instruction, Travancore, is in a bad state of health and I solemnly
and sincerely declare that according to the best of my judgment, a change of air
is essentially necessary to his recovery, and that the circumstances of his case
are such as to render leave of absence for a period of twelve months highly
desirable.
(Signed) H. Campbell Perkins
Dunbar Physician, Travancore.

Travancore.
Mr. Hodgson, a chronic asthmatic subject, is in a very poor state of health the
result of too prolonged residence in a very enervating climate. Lately he has been
suffering very distressing and severe attacks of his old complaint and generally is very much
run down in health. He has resided over 26 years in India and is 5½ years

We have two daughters and one son in England who have had to be kept in the charge of strangers for the last five years and who need us. (3). It is very necessary that I should see for myself what progress my son has made and arrange for his future.

NOTE.—(i) If the passage is required for reasons of health, a medical certificate must be attached to the application, or must be forwarded as soon after as possible.

(ii) If the passage is needed on account of Government requirements a certificate from the local Government will be necessary.

(iv) All persons including Government servants desiring a passage must send in an application in this form in addition to any already sent in.

(v) Persons whose circumstances enable them to travel at once should apply for as early a passage as possible since after demobilization begins there will probably be others having more urgent claims.

Since his last leave home. Change of air to England is, in my opinion, imperative & prevent a complete breakdown. On these grounds I have advised him to take long leave.
