From

Hilton Brown Esq., I.C.S.,

Secretary to the Provincial Committee
for the Control of Passages.

To

The Secretary to Government,

Home Department.

Dated, Fort St. George, the 24th February 1919.

Sir,

I have the honour to address Government for a temporary clerical establishment for the Provincial Committee for the Control of Passages.

2. The Committee was constituted in G.O. No. 26 Home (misc.) dated the 6th January 1919 and the clerical work connected with the Committee was till recently being done by one of the clerks in the Miscellaneous section of the Home Secretariat in addition to his ordinary duties as a section clerk. This arrangement was resorted to because it was thought at the time the Committee was constituted that there would not be enough work for a full time clerk. Experience, however, has shown that the clerk has not been able to devote any appreciable amount of his time to the work of the section, he being barely able to keep abreast of the work of the Committee. Arrears are as a result heavily accumulating in the section and the Home Secretary finds it impossible any longer to spare the services of a member of his establishment for the Passage work. I have the honour therefore to request that the Government will be pleased to sanction a temporary clerk on Rs. 40 per mensem for work under the Passage Committee. It may be pointed out that the Home Secretariat Establishment will still have to be drawn upon for the routine work of fair copying, examining and despatching etc., connected with the Committee.

I have the honour to be,

Sir,
Your most obedient servant,

M. S. S. S.

Secretary.

Refr.

A draft order is subd which may issue with the Concurrence of the Financial Dept, who may be requested to indicate the source from which the charges should be met.

2. The draft provides for the ~~employment~~ ^{one month for the present} of the clerk only for ~~two~~ ^{one} month, in as much as sanction for the grant of a duty allowance to the Secretary to the Committee has been given up to the 6th April. ~~In~~ The question of the continuance of the temporary clerk after the 6th April may be considered then.

3. Home (Mis) Section had to detail ~~the services of~~ a clerk during these two months to attend exclusively to passage work, and considerable inconvenience is being experienced for want of the full complement of the section. Arrears are accumulating & it will not be possible to clear them ~~if the clerk is not~~ ^{if the clerk is not}.
