For the U.S.

The estimate of the probable expenditure on census operations in this Presidency during the year 1920-21 was shown at Rs 53420:— vide the statement annexed to

(Y) Letter No. 239 Home (Mis) D/28.1.20. The allotment sanctioned by the Govt of India is Rs 64720, ie the amount specified in our forecast of census expenditure has been enhanced by about 20%. This is apparently due to the need for more liberal financial treatment in view of the general increase in salaries and prices in the last ten years.
