Memorandum No. 1162 G.

Dated Simla, the 27th May 1920.

G.O. No. 800 31.3.20

My memorandum, No. 705-G., dated 25th March 1920, regarding the grant of passports to British subjects of enemy origin. His Majesty's Government have directed that in cases where a passport is applied for by a British subject of double nationality i.e. one who owes allegiance to another country as well as to Great Britain, a passport should be refused to such applicant if the purpose is to proceed to the other country to which he owes allegiance, and that any passport that may be issued, to such a person, should bear an endorsement that it is not valid for the second country to which the holder also owes allegiance.

2. Applicants who declare themselves on their application forms to be naturalised British subjects should be required to declare further that besides British nationality they possess no other nationality, and a paragraph to this effect is enclosed for addition to the form of application for passports.

Secretary to the Government of India.
