No. *119 B*
1920

Dated *29th April 1920.*

From

V. R. Shinde Esq., B. A.,

Chairman, Reception Committee of the 3rd Bombay Provincial
Anti-Untouchability Conference, Sholapur.

Bombay.

To

The Secretary to Government of Madras.

Sir,

Madras

As desired by the above conference I have the honour to forward to you
the following resolutions which the conference adopted unanimously among
others on the 3rd April 1920 at Sholapur and pray that Government will be
good enough to take necessary steps to give effect to them.

I have the honour to be,

Sir,

Your most obedient servant,

V R Shinde

Chairman of the Reception Committee 3rd
Bombay Provincial Anti-Untouchability
Conference, Sholapur.

2

Resolution passed unanimously in the 3rd session of
the Bombay Provincial Anti-Untouchability Conference held on April
1920 in the New Sangit Theatre, Sholapur.

3. That with a view to impart proper social and political education to the
Depressed Classes, Gram Panchayets be instituted in every village and the
at least one seat be reserved in each of such Panchayets for a represent-
tively elected by the Depressed Classes themselves.

4. That seats be reserved in proportion to their numbers for the rep-
sentatives elected by the Depressed Classes in every Municipality,
District Board and such other representatives bodies, so that these commun-
-ties be granted all civic rights.

5. In order to give the full benefit of the new Reforms to the Depres-
ed Classes, not less than five seats be reserved in the Bombay Provincial
Legislative Council for members duly elected by the Depressed Classes, as
follows:- one for Sind, one for Gujarat, one for Maharashtra, one for
Konkan and one for Karnatak.

6. That candidates from the Depressed Classes be liberally appointed
to public services both civil and military.

9. That this conference expresses its grateful appreciation of the
several educational facilities opened by the Government of Madras of late
and of the fact that they have appointed a special officer for the ameli-
oration of these classes, and it also earnestly prays that the Government
of Bombay may do the same favour.

11. Taking into consideration the fact that Free Primary Compulsory
Education is absolutely necessary both to the boys and girls of the Dep-
ressed Classes, this conference urges that Municipalities and other Local
Bodies should provide such education without any delay.

12. The Intercaste Hindu Marriage Bill introduced by the Hon. Mr.
V.J. Patel in the Supreme Legislative Council is especially beneficial to
the Depressed Classes and therefore this conference demands that Govern-
ment should pass it without any hesitation.

Extract of notes with 7^o.
465 Ld 15. 5. 920 re: representation
of cooperative societies in local
bodies: —

" I believe that the plea for
" Communal representation which
" had a very wide popular support
" was rejected on the ground that
" lack was and poorly represented
" Communities could be given
" a voice in popular Govt by
" nomination. But being the
" Case it would be against sound
" policy for Govt to commit
" themselves to the reservation of
" seats for representatives of coopera-
" tive societies and not public
" bodies. I am all against this
" proposal and would like to
" see it decisively negatived.
