RESOLUTIONS PASSED AT THE DAKSHINA BHARATA DHARMA MANDAL

ANNUAL CONFERENCE. at Trichinopoly

on 3rd, 4th and 5th April 1920

- (2) Marriage being a sacrament among the hindus and SAJATIYA marriage being the only form of marriage ~~existing~~ approved by the Sastras, this Conference records its emphatic protest against the proposed Inter-caste- Marriage Bill introduced by the Hon'ble Mr. V.J. Patel in the Imperial Legislative Council as it will lead to VARNASANKARA and the disappearance of the Hindu nation as such and its culture.
- (3) This Conference strongly all interracial marriages which will lead to the hybridisation of the Hindu community and the spiritual basis of Hindu society and culture.
- (4) In consideration of the enormous increase of prices in recent years, Government should be requested to return all resumed temple lands now in their possession to their respective trustees for the better performance of the temple poojas and festivals; or at least make a substantial increase in the Monini allowance.
- (5) This Conference is of opinion that the funds endowed for religious and charitable purposes should not be diverted for purposes other than those of the endowments and condemn the action of the trustees in diverting the Tanjore Chatram Funds and the Tirupathi temple funds to other purposes and emphatically protests against judicial and legislative interference by sanctioning such diversion.
- (6) This Conference is of opinion that the rules recently promulgated by the Government penalising caste-Hindu schools with withdrawal of recognition and grant-in-aid, should they refuse to admit Panchamas and other non-caste Hindus, cause a great hardship to such schools and will tend to retard the progress of education and recommends the opening of special schools for Panchamas and non caste Hindus.
