The proceedings of the Conference which was held on 13th March 1920

at Fort St. George were communicated in G.O. No. 640, dated 29-3-20. The G.O. was marked for Editors' Table but apparently no copy was despatched to the Editor of the Commerce and Industries by the Superintendent, Government Press. Perhaps a copy may now be furnished. If so, a draft endorsement is submitted for approval.

U.S.P.,

The Editor, Commerce and Industries, requests that he may be furnished with all papers relating to agriculture. It is submitted that there seems no objection to furnishing him with copies of G.Os. on the subject placed on E.T. Necessary correction slips will be issued to para. 244 at p. 151 of the Revenue Secretariat Office Manual and the Editor informed in the final orders on this case that arrangements have been made for supply to him of agricultural papers placed on E.T.
