List of officers in various departments authorized to act as 'Principal District Officers' for the purposes of rules 16-18 of the --.

READ—the following papers:—

Letter—from E. A. DAVIS, Esq., I.C.S., Collector of Salem.
To—the Chief Secretary to Government.
Dated—the 3rd November 1919.
No.—3267-H.C.

I have the honour to state the rules of the Post Office Insurance Fund, rules 17 and 18, lay down persons in Government service wishing to insure in the Fund must forward their proposals to the Principal District Officer of the Department in which the proposer is serving, and that officer shall examine the documents himself, etc. There seems no reason why this purely routine work should necessitate the personal attention of the Collector. The Treasury Deputy Collector is in charge of this class of routine work in the district; and his certificate should suffice. In these circumstances I respectfully suggest that the rule should be altered.

Proceedings of the Board of Revenue (Land Revenue), No. 1088, Rout.,
dated 6th May 1920.

M. F. COUCHMAN, Esq., I.C.S.,

Commissioner of Land Revenue.

So far as the Land Revenue establishments are concerned, the Board considers that it is sufficient, as suggested by the Collector of Salem, to authorize the Treasury Deputy Collector in each district to act as 'Principal District Officer' for the purposes specified in rules 17 and 18 of the Post Office Insurance Fund. The number of proposers is not likely at any time to be too large in a district for a single officer to deal with, and the Treasury Deputy Collector whose work is allied to the duties involved, viz., verification of the entries in the service registers and the History of Services—will be able to carry them out more efficiently than any Divisional officer. In the case of Madras and Anjengo where there are no Treasury Deputy Collectors, the Collector may continue to be the 'Principal District Officer'.

PUBLIC DEPARTMENT.

The Inspector-General of Police has suggested that the Personal Assistant to the Deputy Inspector-General, Criminal Investigation Department, should be the Principal District officer for the Criminal Investigation Department (office and executive establishment) for the purposes of rules 16-18 of the Postal Insurance Fund Rules.

2. The question as to who should be regarded as the Principal District officer for the Secretariat establishments has not been raised in the foregoing discussions. If the Registrar is considered the immediate superior for purposes of rules 15 and 16, the Assistant Secretary or Under Secretary for the Chief Secretariat and the Under Secretary for the other Secretariats may be regarded as the Principal District officer for the respective Secretariat establishments.

PUBLIC (POL.) AND (ECCLIASTICAL) DEPTS.

In the Political Department, only the Resident in Travancore and Cochin and the Paymaster, Carnatic Stipends have gazetted subordinates under them. The Commissioner of Land Revenue recommends that, in their capacity as Collectors of Anjengo and Madras respectively, they should themselves act as Principal District officers in respect of their subordinates in the Land Revenue Department. They may perhaps be allowed to continue to do so in respect of their subordinate staff in the

Political Department as well.

2. As regards Ecclesiastical it is submitted that the establishment of this department is very small and that therefore it does not seem necessary to alter the existing practice. The file may be passed on to Financial with these remarks.

FINANCIAL DEPARTMENT.

Please see letter on page 2 current file and Home (Miscellaneous) note on page 1 above. The following officers under this department may be authorized to act as "Principal District Officer" for the purpose of rules 17 and 18 of Postal Insurance Fund Rules:—

- | | | |
|--------------------------------------|-----|---|
| (1) Superintendent, Government Press | ... | In regard to the office establishment under him. |
| (2) Superintendent of Stationery | ... | In respect of the office establishment under him. |
| (3) Curator, Madras Record Office | ... | In respect of the office establishment under him. |

The Superintendent, Government Press, is not at present a gazetted officer. It is under consideration to declare him so [File under separate consideration.]

He will undoubtedly be a Gazetted officer as soon as orders issue *.

E. M. GAWNE—26-7-20.

HOME (MISCELLANEOUS) DEPARTMENT.

Please see the consolidated list. The list gives the names of the gazetted officers recommended by the several departments, who may be authorized to act as 'Principal District officers' for the purpose specified in rules 17 and 18 of the Post Office Insurance Fund. From the definition of the expression "Principal District officer" given on page 2 of the

† The Judge, City Civil Court; Chief Presidency Magistrate; Resident in Travancore and Cochin; Paymaster, Carnatic Stipends and Principal heads of departments e.g., Directors of Land Records, Agriculture and Fisheries, Deputy Director of Agriculture, Cinchona, and Sanitary Commissioner.

rules relating to the Post Office Insurance Fund it is observed that the Secretaries to the Board of Revenue (all departments) and the officers † noted on the margin are treated as Principal District officers in respect of the establishments under their control and it does not therefore seem

necessary to include these officers in the present list to be furnished to the Postmaster-General.

A.R.—5-8-20.

2. The undermentioned gazetted officers have jurisdiction over one or more districts:—

District Superintendent of Police,
Deputy Inspectors-General of Police,
Inspectors and Inspectresses of Schools,
Collector of Customs, Madras,
Deputy and Assistant Commissioners of the Salt, Abkari and Customs Department,
Collector of Madras,
Assistant Directors of Land Records,
Deputy Superintendents, Civil Veterinary Department,
District Medical and Sanitary officers,
District Forest officers,
Deputy Sanitary Commissioners,
Assistant Registrars of Co-operative Societies,
Sanitary Engineer to Government,
Superintending Engineers,
Deputy or Assistant Directors of Survey in charge of Survey Parties,
Officers in charge of Revenue Settlement Parties.

These officers also seem to come within the definition of "Principal District officer" referred to above. If so, there is no necessity for the inclusion of their names in the list. For orders whether they may be omitted.

3. It is observed that the Director of Agriculture has proposed the names of all the principal officers employed in the Agricultural College, Coimbatore, for inclusion in the list of Principal District officers. The necessity for this large number is not quite clear. Applications for insurance in the Postal Insurance Fund are not likely to be many and it would seem sufficient to declare the Principal of the College alone to be the Principal District officer.

The Curator, Botanical Gardens, Ootacamund, is not a gazetted officer and does not appear to be of a sufficiently high status to be regarded as a district officer. If his name is omitted, the Deputy Director, V and VII Circles under whom he is placed will perform the functions of the District officer.

Revenue (Special) may be consulted u.o. on these points, i.e., paragraph 3 supra.

Post Office Insurance Fund Rules

List of officers in various departments authorized to act as 'Principal District Officers' for the purposes of rules 16-18 of the —.

READ—the following papers :—

I
Letter—from E. A. DAVIS, Esq., I.C.S., Collector of Salem.
To—the Chief Secretary to Government, Revenue Department.
Dated—the 3rd November 1919.
No.—3267-H.C.

I have the honour to state the rules of the Post Office Insurance Fund, rules 17 and 18, lay down persons in Government service wishing to insure in the Fund must forward their proposals to the Principal District Officer of the Department in which the proposer is serving, and that officer shall examine the documents himself, etc. There seems no reason why this purely routine work should necessitate the personal attention of the Collector. The Treasury Deputy Collector is in charge of this class of routine work in the district; and his certificate should suffice. In these circumstances I respectfully suggest that the rule should be altered.

Post Office Insurance Fund Rules

List of officers in various departments authorized to act as 'Principal District Officers' for the purposes of rules 16-18 of the —.

Read—the following papers :—

I
Letter—from E. A. Davis, Esq., I.C.S., Collector of Salem.
To—the Chief Secretary to Government, Revenue Department,
Dated—the 3rd November 1919.
No.—3267-H.C.

I have the honour to state the rules of the Post Office Insurance Fund, rules 17 and 18, lay down persons in Government service wishing to insure in the Fund must forward their proposals to the Principal District Officer of the Department in which the proposer is serving, and that officer shall examine the documents himself, etc. There seems no reason why this purely routine work should necessitate the personal attention of the Collector. The Treasury Deputy Collector is in charge of this class of routine work in the district; and his certificate should suffice. In these circumstances I respectfully suggest that the rule should be altered.

Proceedings of the Board of Revenue (Land Revenue), No. 1088, (Rout.),
dated 6th May 1920.

M. E. COUCHMAN, Esq., I.C.S.,

Commissioner of Land Revenue.

So far as the Land Revenue establishments are concerned, the Board considers that it is sufficient, as suggested by the Collector of Salem, to authorize the Treasury Deputy Collector in each district to act as 'Principal District Officer' for the purposes specified in rules 17 and 18 of the Post Office Insurance Fund. The number of proposers is not likely at any time to be too large in a district for a single officer to deal with, and the Treasury Deputy Collector whose work is allied to the duties involved, viz., verification of the entries in the service registers and the History of Services—will be able to carry them out more efficiently than any

6 NOTES TO G.O. No. 1314, HOME (MISCELLANEOUS), 13TH AUGUST 1920

PUBLIC DEPARTMENT.

The Inspector-General of Police has suggested that the Personal Assistant to the Deputy Inspector-General, Criminal Investigation Department should be the Principal District officer for the Criminal Investigation Department (office and executive establishment) for the purposes of rules 16-18 of the Postal Insurance Fund Rules.

2. The question as to who should be regarded as the Principal District officer for the Secretariat establishments has not been raised in the foregoing discussions. If the Registrar is considered the immediate superior for purposes of rules 15 and 16, the Assistant Secretary or Under Secretary for the Chief Secretariat may be regarded as the Principal District officer for the respective Secretary establishments.

T.P.R.—14-7-20. A.P.—15-7-20.

V. SEKHARA MENON—15-7-20.

I think the officers in direct charge of the establishments—Assistant Secretary for Chief Secretariat and Under Secretaries for other Secretariats may be regarded as "Principal District officers" for the purposes of rules 17 and 18.

J. M. HOOPER—16-7-20.

PUBLIC (POL.) AND (ECCELESIASTICAL) DEPTS.

In the Political Department, only the Resident in Travancore and Cochin and the Paymaster, Carnatic Stipends have gazetted subordinates under them. The Commissioner of Land Revenue recommends that, in their capacity as Collectors of Anjengo and Madras respectively, they should themselves act as Principal District officers in respect of their subordinates in the Land Revenue Department. They may

E.M.G.—21-7-20. | perhaps be allowed to continue to do so in respect of their subordinate staff in the

Political Department as well.

2. As regards Ecclesiastical it is submitted that the establishment of this department is very small and that therefore it does not seem necessary to alter the existing practice. The file may be passed on to Financial with these remarks.

K.R.—19-7-20. A.S.—20-7-20.

E. M. GAWNE—21-7-20.

FINANCIAL DEPARTMENT.

Please see letter on page 6 current file and Home (Miscellaneous) note on page 1 above. The following officers under this department may be authorized to act as "Principal District Officer" for the purpose of rules 17 and 18 of Postal Insurance Fund Rules:—

- | | | |
|--------------------------------------|-----|---|
| (1) Superintendent, Government Press | ... | In regard to the office establishment under him. |
| (2) Superintendent of Stationery | ... | In respect of the office establishment under him. |
| (3) Curator, Madras Record Office | ... | In respect of the office establishment under him. |

The Superintendent, Government Press is not at present a gazetted officer. It is under consideration to declare him so [File under separate consideration.]

P.B.—23-7-20. C.V.R.—23-7-20.

He will undoubtedly be a Gazetted officer as soon as orders issue.

E. M. GAWNE—26-7-20.

HOME (MISCELLANEOUS) DEPARTMENT.

Please see the consolidated list. The list gives the names of the gazetted officers recommended by the several departments, who may be authorized to act as 'Principal District officers' for the purpose specified in rules 17 and 18 of the

Post Office Insurance Fund. From the definition of the expression "Principal District officer" given on page 2 of the rules relating to the Post Office Insurance Fund it is observed that the Secretaries to the Board of Revenue (all departments) and the * officers noted on the margin are treated as Principal District officers in respect of the establishments under their control and it does not therefore seem necessary to include these officers in the present list to be furnished to the Postmaster-General.

A.R.—5-8-20.

2. The undermentioned gazetted officers have jurisdiction over one or more districts:—

District Superintendent of Police,
Deputy Inspectors-General of Police,
Inspectors and Inspectresses of Schools,
Collector of Customs, Madras,
Deputy and Assistant Commissioners of the Salt, Abkari and Customs Department,
Collector of Madras,
Assistant Directors of Land Records,
Deputy Superintendents, Civil Veterinary Department,
District Medical and Sanitary officers,
District Forest officers,
Deputy Sanitary Commissioners,
Assistant Registrars of Co-operative Societies,
Sanitary Engineer to Government,
Superintending Engineers,
Deputy or Assistant Directors of Survey in charge of Survey Parties,
Officers in charge of Revenue Settlement Parties.

These officers also seem to come within the definition of "Principal District officer" referred to above. If so, there is no necessity for the inclusion of their names in the list. For orders whether they may be omitted.

3. It is observed that the Director of Agriculture has proposed the names of all the principal officers employed in the Agricultural College, Coimbatore for inclusion in the list of Principal District officers. The necessity for this large number is not quite clear. Applications for insurance in the Postal Insurance Fund are not likely to be many and it would seem sufficient to declare the Principal of the College alone to be the Principal District officer.

The Curator, Botanical Gardens, Ootacamund, is not a gazetted officer and does not appear to be of a sufficiently high status to be regarded as a district officer. If his name is omitted, the Deputy Director, V and VII Circles under whom he is placed will perform the functions of the District officer.

Revenue (Special) may be consulted u.o. on these points i.e., paragraph 3 supra.
