Letter—from C. M. SCHMIDT, Esq., Registrar-General of Births, Deaths and Marriages.

To—the Secretary to Government, Home (Miscellaneous) Department.

Dated—the 12th March 1920.

No.—C.18.

Rule 21 of the rules under the Births, Deaths and Marriages Registration Act, 1886 (G.O. No. 557, Public, dated 9th May 1912), provides that every Registrar who is a Government servant and not a minister of religion shall keep a register of all fees realized and shall forward such fees at the end of each month to the nearest treasury to be credited to Government, that the treasury officer shall give each Registrar a certificate of the amount so credited and that the Registrar shall send a copy of the certificate to the Registrar-General. It has been the practice hitherto for me to obtain from the Registrars a monthly statement showing the collections and remittances—vide paragraph 4 of G.O. No. 55, Public, dated the 18th January 1911. Although there are over a thousand Registrars, viz., 551 of the Registration department and 458 of the Revenue Department, yet during 1918-19 only 13 officers exercised their functions and registered 29 occurrences. The existence of this large number of Registrars involves the despatch monthly of over 1,000 statements, most of which are nil, to the district officers, viz., District Registrars in the Registration Department and Collectors in the Revenue Department, and these officers, in their turn, transmit to me consolidated returns monthly which are also mostly nil. The total amount of fees realized and remitted by these officers does not exceed on an average Rs. 100 annually for the whole Presidency. Moreover, the certificate submitted to me under Rule 21 is quite sufficient for the purpose intended, viz., that of verification of the departmental receipts with the Accountant-General's monthly statement of receipts. The return involves a vast waste of time, stationery and postage at each stage and I therefore submit that its transmission may be discontinued.

2. As a further step towards simplification, I would suggest that Registrars may be permitted to send direct to me the certificates (in original) given to them by the treasury officer under Rule 21 instead of a copy thereof. If the Government approve of my suggestion, the second sentence of Rule 21 may be amended as shown below—

‘The Treasury officer shall give each Registrar a certificate of the amount so credited and the Registrar shall forthwith send such certificate in original to the Registrar-General.’

3. A draft notification regarding the proposed amendment is submitted.

Order—No. 909, Home (Miscellaneous), dated 20th April 1920.

The Government approve the proposal of the Registrar-General of Births, Deaths and Marriages to discontinue the monthly return showing collections and remittances, hitherto submitted by the Registrars under paragraph 4 of G.O. No. 55, Public, dated 18th January 1911.

2. The amendment to rule 21 of the rules under the Births, Deaths and Marriages Registration Act, 1886, will be noted for consideration when next the rules come under revision.

NOTES CONNECTED WITH G.O. No. 909, HOME (MISCELLANEOUS),
DATED 20TH APRIL 1920

[SUBJECT.—*Rules under Births, Deaths and Marriages Registration Act, 1886.*]

*From the Registrar-General of Births, Deaths and Marriages, No. C. 18,
dated 12th March 1920.*

In the circumstances stated, the proposal of the Registrar-General to discontinue the submission of the monthly returns regarding collections and remittances of fees now being submitted by the Registrars under paragraph 4 of G.O. No. 55, Public, dated 18th January 1911, may, it is submitted, be accepted.

2. As regards the proposed amendment to rule 21 of G.O. No. 577, Public, dated 9th May 1912, it is submitted that the present practice of sending a copy of the treasury receipt may continue as no great saving of labour is likely to result by the proposed amendment. The Registrar-General himself says that during 1918-19 only thirteen officers of Government (Registrars and Revenue officers) exercised their functions under the Act and registered twenty-nine occurrences. It is also stated that the total amount of fees realized and remitted by these officers does not exceed on an average Rs. 100 annually for the whole Presidency. Further under section 36 (3) of Act VI of 1886 the draft amendment proposed by the Registrar-General requires previous publication in the gazette. Perhaps the Registrar-General's proposal may be noted for consideration when next the rules come under revision. It does not seem necessary now to publish notification to carry out this simple amendment. For orders.

C.P.G.—17-3-20. B.R.—17-3-20.

Submitted that the remarks of the Registrar-General may be invited on the above suggestion.

There can be no objection to the amendment of the rule being noted for inclusion when next the rules come under revision, but I presume that the Government will, by executive order, direct that the submission of the monthly returns in question may be discontinued: this is the object in view.

With reference to the Secretary's remark it is submitted that paragraph 2 of the draft order put up deals with the Registrar-General's suggestion in paragraph 2 of his letter.
