" That in view of the strong desire of the Muslim community to have definite provisions for the protection of its interests, the All India Muslim League urges upon the Government that the following safeguards be adopted in the forthcoming reforms

- (a) Mussulmans should be adequately represented in the Public Services of the country.
- (b) Mussulmans should have representation on Government Universities in the same proportion as the representation accorded to them on the Legislative Council in the province concerned.
- (c) Urdu language and Persian character should be maintained in courts and public offices in those provinces where they are in vogue, and Urdu should be employed as medium of primary education in the aforesaid provinces.
- (d) Mussulmans should be afforded facilities, protection and help in the observance and performance of their religious rites, ceremonies and usages without any restriction."

Resolution No X.

"That the All India Muslim League voicing the Muslim public opinion adheres to the principle of separate representation for the Muslim community, and strongly urges upon Government the immediate necessity of applying the said principle to local bodies in provinces where it has not yet been applied."

[C No. 1089] From the Hon. Secy. All India Muslim League No. C.I. 92 of 10.2.20

For the Reg.

A formal letter of acknowledgment is submitted.

~~This is for order whether the paper may be recorded or not.~~

In regard to the request expressed in resolution No. VI(a) it is submitted that in connection with a similar request of the Lingayat Community for representation in the Public Services the (Home) Secretary has remarked as follows:—

"We are doing our best to put in men from the Backward communities and the deficiency is entirely due to want of qualified candidates. If we throw the burden on the representative body to send up names of qualified persons this incessant burden of request for services will be heard less."

The question of the adequate representation of the Backward communities was recently considered in committee.

2. 20 with a request made by the Salem deputishin. No action was considered necessary.

3. The file may be sent to Edn, just to let them know.

Local Muni Dept

This Department is concerned with resolution No. X, regarding separate representation for

for the muslim community on local bodies. In their latest resolution on local self government, the Government of India stated that they would prefer that special representation of minorities should be effected by retaining the practice of nomination rather than by introducing some system of communal or proportional representation. (para 5. on p. 4 of go no 1293 & dated 5-10-18) -

2. It is not proposed in the Bill to amend the Madras Local Board Act, to amend the provisions of section 18 of the Act under which where the members of a taluk board are partly elected and partly nominated, the number of persons ^(unless the Govt. in Council otherwise direct) so appointed shall be $\frac{2}{3}$, as it was considered a margin of $\frac{1}{3}$ should be left for nomination of officials and representation of minorities.

3. No special action seems called for in regard to the resolution of the All India Muslim League under Consideration. The case may be returned to Home (Mis) no.
