Editor, THE CITIZEN,

To

The Secretary to the Government of Madras,
Miscellaneous
Home (Special) Department,
Fort St. George.

Sir,

I have the honour to acknowledge receipt of memorandum No 1968-1 dated 3rd April 1920 in which I have been asked to furnish the number of subscribers to the CITIZEN. The first issue of the CITIZEN was published on the 27th ultimo and the third issue was published on Saturday the 10th instant. Sufficient time has not yet elapsed in order to enable me to gauge the amount of public support which the CITIZEN will have and ordinarily it will take -- about six months before I shall be able to say with any definiteness how many subscribers have been enrolled.

I may however state that within the brief time of about two weeks I have had about one hundred and fifty subscribers and I am daily enrolling more subscribers. Two thousand copies were struck and sent of the first two issues

letter dated 12th April 1920.

U.S.

The Editor the Citizen applied
for E.T. privileges and with refce. to
(P) the order in G.O. No. 1351 of 30.9.1919
he was asked to state the number
of subscribers. The Editor now
states that as the ~~new~~ journal
has just been started subscribers
are being enrolled and that
2000 copies are being circulated
and 1500 will be the minimum circulation
In view of the fact that the
Committee supervising the
journal is a strong one - vide
(B) Enot. No. 1268-1 of 2.3.20, it is
for consideration whether E.T.
privileges may now be
granted.

After orders are passed
on this case, the Govt of
India + other local Govts

and it is proposed to distribute a minimum of 1,500 copies
of the subsequent issues for a period of about three
months.

The Punjab and the Central Provinces Government
have already accorded to CITIZEN the privileges of the
Editors' Table.

I have the honour to request that the Government
of Madras will pass orders early placing the CITIZEN on the
list of newspapers to whom publications of the Government
placed on the Editors' Table are usually sent and recommending
a like privilege to be accorded to it by the Government of
India.

I have the honour to be,
