From

Reverend Mother Jeanne,

Convent of the Holy Angels, Kumbakonam.

To the

Chief Secretary to the Government,

Fort St. George, Madras.

Through the

District Collector, Tanjore.

2nd. March, 1920.

Sir,

When in September last, I sent in an application for our special monthly Grant being graciously renewed, I was under a deep and grateful conviction that it was for the last time.

Unfortunately, matters have gone from bad to worse. In spite of a good harvest, paddy sells at a higher price than before heard of. But our chief anxiety is the rate of exchange. At Paris on London, £1 sterling is a few points below 50 francs which means a loss to us of one hundred per cent. On the other hand, foreign sterling money orders are paid at the rate of 2 sh. 11 d. per Rupee, which also entails another loss of over one hundred per cent.

Under these circumstances, I earnestly pray that Government may be pleased to renew for six months (from 1st of April to 30 September, 1920), their special monthly Grant of Rs.500/ for the up-keep of our orphans and destitute poor.

I have the honour to be, Sir,

Your obedient servant,

Sgd.

Mother Jeanne

to the notes to G.O. No 1442 Home (Mis)
of 20. X. 1919. Even though the war
is over it is rather doubtful whether
the usual ^{contributions from Europe} ~~subsidies~~ will be forthcoming
in the near future. If in the
circumstances now explained the
Govt decide to continue the grant
for another six months, the draft
order submitted may issue with
the concurrence of the Financial Dept.
The Govt seems to support the application.
There is a provision of Rs 6000 in the
Budget estimate for 1920-21 on
account of the grant to the convent.

This very unusual grant, which was originally given for six months, has now continued for 4½ years and I think the time has come to consider whether we should not definitely say that the present order of continuance is the last. It will be seen from the letter in the current that it is not so much the financial trouble in France as high prices and exchange troubles that have prompted the present application. Had there been the causes of the first, I doubt if the grant would ever have been made, vide the notes by Sir Harold Stuart, Sir Sivasubramani Aiyar and Mr. Butler in F.O. No 1455 Public, dated 7th October 1915. I think we should either plainly tell the sister that
