CNo. 2147 from the Hon. the Resident in Mysore

no. 27308 26.3.20

Subject. Encouragement in public service to members of backward communities.

Since 1914 when information was last supplied to the Resident in Mysore on the subject of the special encouragement in the public service to members of communities which are backward in Education, no general orders or circulars have issued in the matter. The general question of the representation of backward classes in the public service was discussed at the Collectors' Conference held in August 1917 and it was held that ~~there should~~ while it was essential that there should be in the public ~~service~~ service a fair representation of all communities, it was not desirable to fix any definite proportion for particular castes. In order to enable ~~all~~ the members of the backward communities ~~to~~ to qualify themselves for all posts, the scope of the various special tests has been ~~notified~~ lightened and the examinations thrown open to all those who possess a completed secondary school-leaving certificate ~~and~~ subject to the conditions laid down in para. 4 of the Spl. Tests notification.
