(C.No.741-III) From the Director of Marine Fisheries

To U.S.

The supply of the quarterly Fort St. George Gazette were considered necessary in the case of the Business Beyapore Cannery. We may perhaps rule out publications in the present case also. The books seem to be necessary.

Subject to orders a draft is submitted. It may go to Financial and Home (Misc) for acceptance.

This Department is concerned with the supply of Lawrence Asylum Press Almanac. Vide item 5- para 1 of the draft order. The almanac is a costly publication and it is doubtful whether it is necessary for the Marine Biologist. As Rev.(Spl.) consider it -- necessary this department need not object.

The necessary amendment to G.O.No.312 Home(Mis.) dated 25th March '18 will issue in this Department on receipt of a copy of the order.
