The Collector of the Nilpino is requested to furnish at an early date information on the following points in regard to the extract of the list of war charities forwarded with his letter read above:—

(1) Under ^{the heading} the Ladies Depot "and the Soldiers' Club" the word 'gone' has been entered against the items "President - Mrs. A.R. Canning" and "Honorary Secretary - Surgeon-General Corker" respectively. It is not clear whether the depot and the club still continue and if so, who the ^{present} President and Honorary Secretary are. It is understood from the M. S. L. that the Ladies Depot and its mufassal centres have already been closed.

(2) It is not clear whether Mr. J.F. Bryant is the Treasurer of the Refugee Fund in the place of Mr. Graham.

[List of war charities.] 32

[C No. 1060] from the Hon^{ble} Charity Organization Board
No. 13 of 9. 2. 20.

A statement of war charities in this Presidency, which was compiled last year at the instance of the Charity Organization Board is printed at pages 40-41 of the notes to G.O. No. 1323 Home (Mis) of 22. 9. 1919. The items in the list now forwarded have been checked with the particulars given in the above statement and the necessary corrections carried out in the list. There are also certain items in the list which do not relate to this Province. As it is likely that ^{the activities of} most of these charities must have ceased by this time the details in the list are probably out of date. It is submitted that relevant extracts may be forwarded to the Collector concerned for verification and correction upto date. Draft memo is submitted.

After its issue the file

may be sent up to the M.S.G. with reference to the items relating to the Madras War Fund and Ladies Depot of the Madras War Fund. The P.S.G. may also see the file as he is the Secretary of the Imperial Indian Relief Fund. It is presumed that we need not address the Hyderabad Resident ^{U.P.R.} 21.2.20 in respect of the war cheques in the State.

With reference to the particulars regarding the Madras Branch of the Imperial Indian Relief Fund appearing on page ⁵74 of the current file, I find that the facts and figures contained in my note dated 19-6-1919 have not yet been incorporated therein. For instance, there is nothing to show that the Madras Provincial Committee was closed as long ago as March 1919. The annual expenditure of the Committee is shown as Rs.1,000 whereas the expenditure during the year 1919 was only Rs.190 odd; and no further expenditure will be incurred as the Committee has ceased to exist and no cases of civil distress for relief from the Imperial Indian Relief Fund are ever likely to arise in this Presidency. I think it would be as well

Dear Mr. Hilton Brown,

Your letter of the 19th inst. has just reached me here - I am very sorry indeed that a former letter seems to have been unanswered I was ill just before coming up here & could not get to the office & I have been somewhat out of it - As regards the above Fund we are probably closing it down at the 10th May. We have a meeting of our General Committee on that date at Government House

THE RUBBER FUND.

at Ooty to decide on the question & I have
 been busy collecting the opinions of the Branches
 prior to it & the majority are in favour of
 closing it. I think it is almost a certainty
 in this case I suppose you do not wish
 to enter in in the Registering? The enclosed
 pamphlet gives our Report - we have collected
 about 100,000 during the year ending with
 April 30th (I have not the exact figures up
 here as I am only up for a 10 days holiday
 & so back to Madras tomorrow). I can send
 you then a copy of our Constitution to full details
 if you still need them with many apologies
 for such an unbusinesslike delay.

 in the list are even remotely connected
 with war charity & 3 & 5 at least I
 cannot understand. I think the Collector
 must have made a mistake in
 including them. In order.

Dear Sir,

With reference to your letter to the P.S. & Madras, no 13 & 9th Feb'y 1920 I am to enclose herein a revised list of the war charities that are at present in existence in the Madras Presidency.

The list forwarded by you had to be sent to the D.I. officers for revision and this procedure entailed some delay for which I am to express regret.

Yours truly,
