MACKINNON, MACKENZIE & Co.

AGENTS.

PENINSULAR & ORIENTAL STEAM NAVIGATION COMPANY.

30th March 1920.

The Chief Secretary to the Govt. of Madras  
The Secretariat,  
Madras.

Sir,

To assist us in dealing satisfactorily with the present very difficult passage situation, we shall be obliged if you will submit to us a list of the names and addresses of the Government servants for whom passages are required at the earliest possible moment for urgent reasons of health.

We shall be much obliged therefore if you will let us have this list as soon as possible, mentioning at the same time whether first or second saloon passages are required, when we will do our best to provide the passages in question out of the accommodation which will be available on the additional ex German steamers which have recently been arranged by Government to take civilian passengers to England.

It should be understood that this letter must not be construed as an undertaking to provide accommodation for any particular passengers and we shall be glad if you will curtail the list as far as possible as otherwise our object in approaching you on this matter will be defeated.

We have the honour to be,

Sir,

Your obedient Servants,
