States of Travancore, Cochin, Pudukkottai, Sandur and Banganapalle — inquiring what arrangements to be adopted in 1921.

READ—the following paper :—

Letter—from G. T. Boag, Esq., I.C.S., Superintendent of Census Operations.

To—the Secretary to Government, Home (Miscellaneous) Department.

Dated—the 20th April 1920.

No.—16.

I have the honour to invite reference to G.O. No. 1840, Revenue, dated 3rd June 1910, and to inquire whether the census arrangements adopted in 1911 for the States of Travancore, Cochin, Pudukkottai, Sandur and Banganapalle will be repeated at the census of 1921.

Order—No. 986, Home (Miscellaneous), dated 13th May 1920.

In connexion with the census of 1911 the Travancore Darbar adopted the British-Indian schedules and forms but made its own arrangements for printing them, for abstracting and tabulating the figures, publishing the tables and writing the census report. The Cochin Darbar also adopted the same procedure except that it obtained the schedules and forms it required from the Superintendent, Government Press, Madras, on payment. The Resident in Travancore and Cochin is requested to ascertain from the Darbars whether they will adopt the same arrangements for the ensuing census.

2. On the occasion of the last census the Pudukkottai Darbar obtained the necessary forms from the Government Press, Madras, on payment and agreed to the census work in the State being controlled by the Superintendent, Census Operations, Madras. The work of abstraction and tabulation of the figures was also done by the Superintendent and the Darbar was debited with the actual expenses calculated, on population of the State, at the rate per thousand of the population arrived at for whole Presidency. The Superintendent was authorised to send his circulars direct to the Darbar instead of through the Collector of Trichinopoly as Political Agent and the Darbar was allowed to send its progress reports direct to the Superintendent sending copies thereof to the Collector for his information. The Political Agent, Pudukkottai, is requested to ascertain and report whether the Darbar agrees to the same arrangements being followed for the ensuing census.

3. The States of Banganapalle and Sandur were on the occasion of the last census placed on the same footing as municipalities. Their forms were printed for them at the Government Press, Madras, the States were divided into 'charges' which were included within the districts of Karnool and Bellary, respectively, their operations were controlled by the respective Political Agent, the work of abstraction and tabulation of their figures was done by the Superintendent, Census Operations, Madras, and the States were debited with the actual expenses calculated, on their population at the rate per thousand of the population arrived at for the whole Presidency.
