I expected before this time, to have had a reply to that Letter, for as I am under Orders to proceed to Madras, and led thither by my own Inclinations, nothing but the necessity of the Service, made me defer executing your Orders. Hitherto they have not entered to our Districts, If I had any Troops, I could depend upon, I would enter theirs, and make an Excursion, that should made ample Representations it does not depend on me, if I have draw their Attention, but as I have no Orders to the Contrary, before the end of the month, and no immediate Service expected, I shall obey those of the 14th May, and deliver the Change of the Garrison to Captain Eley-- If I had not supplied Cash, in advance for the Garrison Expences, from my own Credit the Consequences might have been dangerous, large Arrears from the Killedar, and his Life in danger, so some new appointment, should be made, by the Nabob, that in case of his death, the Commissary may know, to whom he is to apply.

Usoff Cawn has wrote me a long story, of Dutchmen, coming from Batavia,

He has requested my Order; the first time he ever required any Orders from hence. In consequence of your General Letter in February. I have directed him, to oppose all Europeans, that shall attempt to enter those Districts, of which he is Renter-and if any such Troops take the Fields to give me early notice. Instead of requesting Orders on this Subject, I wish he would follow a Plan, I sent him which will be of some Utility, to our Affairs in General. I pressed him to move, to Dindigal, with a formidable force. But, I do not expect, any success from my Representations, tho' I must observe, that considering the Alliance, of Tanjor, Tondiman, and other Pollygars, with the Trichenopoly Garrison & the Troops employed, in the Madura, and Tinnevely Countries with good management, such as Enterprize might be undertaken, as would effectually overset the Mysorian Irruption.

the Patty. The Captain is ordered, to follow your directions for his future Proceedings.

We have received Advices from Mahomed Usoff Cawn, the Renter of the Madura, and Tinnevel Country's that a party of Dutch from Columbo, landed sometime at Tootguddly, in Teutacareen Bay, and were advancing towards the Tinnevelly country, what their real Intentions may be, we are not yet certain, nor how far Usoff Cawn's Intelligence, is to be depended upon, but we have recommended to the Nabob to demand immediately the reason of this Hostile, appearance, in his Territories, and to threaten them, with making ample Reprisals, upon the first Notice he may receive, of their committing any Hostilities--We are with great Respect, and Esteem--SIR--Your most Obed^t humble Servants.
