THE MADRAS LIBERAL LEAGUE

Madras, 23.12. 1920.

Sir

On behalf of the Madras Liberal League I have the honour to submit the following resolutions passed at a meeting of the Executive Committee of the above League on the 21st Dec. 1920 with Sir P.S. Sivaswami Iyer M.L.A. in the chair.

yours sincerely
A Natesan

Joint Secretary

THE MADRAS LIBERAL LEAGUE.

Madras, 23rd December 1920.

The following Resolutions were passed at a meeting of the Executive Committee of the League held on the 21st December 1920 with Sir P.S. Sivaswamy Aiyar in the Chair:

I The Committee of the Madras Liberal League expresses its deep sense of regret at the death of two innocent boys and serious injury to many others caused by the police shooting admittedly without warning either previously given or just before shooting near the Perambore Barracks on the 9th December and considers it absolutely necessary that the circumstances in which the order to fire was given should be made the subject of an important enquiry by a Committee consisting of officials and non-officials appointed by the Government.

II The Committee of the Madras Liberal League feels its duty to enter a strong protest against the increase in the number of the Executive Councillors from two to four in the major provinces as uncalled for in the interests of the efficient administration of the reserved subjects and as involving extravagance in the expenditure of public funds. The creation of a Government consisting of seven members besides the Governor to deal with subjects heretofore dealt with by the Governor and three members is prima facie unjustifiable even after making full allowance for the demands of the new legislature upon the time of the members. Any increase of the number of members of the Government should follow proved necessity under the new regime and not be made in anticipation of increase of public business. Such an increase with the consequential increase of staff is a waste of public money and is calculated to strengthen the influence of the bureaucratic element.
