No. 276.

Station Madras, Dated the 27th January 1921.

From (Name) G. T. Boag Esq., I.C.S.,

(Designation) Superintendent of Census Operations,

Madras.

To The Secretary to the Government of Madras,

Law (Miscellaneous) Department.

Sir,

I have the honour to invite attention to the Notification of the Government of India, Department of Education (Census), No.95, dated Simla, the 11th October 1920, in which it is laid down that the Special Industrial Schedules "will be placed in the hands of agents or managers of establishments at least one month before the date fixed by Local Governments for their return". In paragraph 3 of the Census Commissioner's letter No.693-91, dated 9th September 1920, he says that some date in March or April should be notified for this purpose by Local Governments.

an

2. I have consulted Collectors as to the most suitable date to prescribe for this return, having regard to the fact that the main object is to prescribe a date on which as many establishments as possible will be working at normal strength. The chief periodical and seasonal industries in the Presidency are Rice Mills, Cotton gins and presses, and Coffee curing works. Rice Mills in most parts work at full pressure in March, April and May, Cotton presses from April to September, and Coffee works from December to May. The months of April and May are the only months in which all three industries are working at full pressure. I suggest that the Schedules should be made returnable on the 20th April 1921.

3. I have also consulted the Director of Industries and his Assistants who all agree to the choice of this date.

I have the honour to be,

Sir,

Your most obedient servant,

Eraser
Superintendent of Census Operations,

M a d r a s.

161-04 [C No. 468] From the Supdt. Census Operations No. 276
27.1.1921

For the OLS

(20th April 1921)

The date proposed by the Census Supdt. for the return of the Industrial schedules may be approved. It does not seem necessary to notify it in the Fort St George Gazette.

A draft order is submitted for approval. From para 3 of the Supdt's letter it is seen that the Director of Industries has approved the proposed date. ~~and~~ It does not therefore seem necessary to send the draft to the Development Dept for acceptance.
