No. 953.

Station Madras, Dated the 25th February 1921.

From (Name) G. T. Boag Esq., I.C.S.,

(Designation) Superintendent of Census Operations

To The Secretary to the Government of Madras,

Law (Miscellaneous) Department.

Sir,

I have the honour to report on the progress in the Census arrangements upto 31st January 1921.

2. Printing of Circle lists. This work was incomplete at the end of January in the following Districts:-

Vizagapatam - one Municipality.

Chingleput - Military areas of Cantonments.

Salem - All Taluks.

Manuscript circle lists have since been received in my office for the Cantonments in the Chingleput District and

printed lists for all the rest except two taluks in Salem District where plague has caused some delay.

3. House-numbering. This work was completed by the end of January in all Districts except in certain plague infected parts of Salem.

4. Distribution of Census forms. All the forms were despatched from the Press by the 18th of January 1921; but owing to breaches on the South Indian Railway line the forms for some Districts were held up at the Railway station and despatched only at the beginning of this month. This has entailed some delay and confusion, and the distribution of forms was consequently still incomplete in several districts at the end of January 1921. Supplemental indents for forms received from several districts have all been supplied.

5. Non-synchronous tracts. The Census of (1) the Todas in the Nilgiris, (2) the Attapadi valley in the Malabar District, (3) the Laccadives, and (4) the Amindivi Islands has been completed. The schedules of the Laccadive and Amindivi Islands have been received in my office. I have asked the Agency Commissioner, Waltair, to report on the progress of the non-synchronous census in the Agency Division.

6. Madras City. The preparation of circle lists in manuscript was incomplete for a few circles owing to changes in the personnel of the enumerators. Enumeration forms had been supplied and house-numbering was completed.

7. Civil and Military Station, Bangalore, and Coorg. The progress report from Bangalore has not yet been received; but when I visited the city at the end of January I found the arrangements practically

practically complete. In Coorg the arrangements were all complete by the end of January.

I have the honour to be,

Sir,

Your most obedient servant,

Strong
Superintendent of Census Operations,

Madras.
