No. 1.

Extract from the Minutes of Consultation under date the 2nd January 1857.

Read the following letters.

From the Register to the Court of Sudr Adalut.

Submitting copy of a letter from the Civil Judge of Combaconum reporting the death of the Principal Sudr Ameen of Tranquebar on the 12th Ultimo. } (Here enter 9th December 1856, No. 125.)

From the Officiating Under Secretary to the Government of India.

Communicating sanction of the Government of India for the entertainment of a Principal Sudr Ameen and Establishment, permanently, and a Principal Sudr Ameen and Establishment, temporarily, for 2 years for the Zillah of Combaconum. } (Here enter 5th December 1856, No. 1572.)

1. It is observed that on the cession of the settlement of Tranquebar a District Moonsiff's Court was established at that Station, but was subsequently converted into the Court of a Principal Sudr Ameen, as District Moonsiffs had not, at that time, jurisdiction over Europeans in Civil Suits.

2. The salary of the Principal Sudr Ameen remained the same as that previously drawn by the District Moonsiff or Rupees 60 a month—and he has never exercised Criminal jurisdiction,—all committable cases coming before the Magistracy or Police having been sent by them to the Court at Combaconum.

3. Act III of 1850, passed since the establishment of a Principal Sudr Ameen's Court at Tranquebar, enacts that no person whatever shall by reason of place of birth or by reason of descent be in any Civil proceedings whatever exempt from the jurisdiction of the District Moonsiffs' Courts in the territories subject to the Presidency of Fort St. George. The reason for which a Principal Sudr Ameen's Court was created at Tranquebar therefore ceases to hold.

4. Under these circumstances it seems desirable that advantage should be taken of the opportunity afforded by the death of the late Principal Sudr Ameen to revert to the former arrangement. It is remarked however that the salary, Rupees 60 a month, is much below that of a 3rd Class District Moonsiff, as also that the Supreme Government have just sanctioned the addition of two Principal Sudr Ameen's Courts, one permanent and one temporary, to the Combaconum Zillah agreeably to the recommendation contained in Mr. G. Ellis' letter of the 6th October 1856.

5. The Right Honorable the Governor in Council would wish for the opinion of the Sudr Adawlut where these two new Courts should be located. If one be fixed at Tranquebar it may be unnecessary to have any other Court there, otherwise it would seem best to have a District Moonsiff's Court of one of the three regular classes, with a sufficient extent of local jurisdiction.

6. The Sudr Adawlut will report the arrangements that they would recommend.
