Madras Police Commissioners'
Office, 20th December, 1836.

From

Colonel J. C. Boulton
Commissioner of Police

To

T. Lacroix Esq^r
Chief Secretary to Government
Fort St. George

Sir,

As it will be necessary
that the Office of the Commissioner
of Police should be moved out of
the Royapettah Police Office in
order to allow the Engineer Depart-
ment to commence on the repair-
ment of that building, for which material
is now being deposited in the
compound, Will you do me the
favor to request His Lordship in
Council to permit me to remove
into the house lately purchased
from Arnagherry Moodelly on the
Pantheon road as soon as it can
be got ready by Colonel Atkinson
for my reception, and from the
date I make such move to
maintain a sufficient Police Estab-
lishment for the Royapettah Police
Office, charging Government for the
same in a separate contingent bill
until permanently sanctioned.

Now that a third Magis-
trate has been appointed, I hope

the Government will allow the
Deputy Police Court to be opened,
and that I may be ordered to
take a sufficient Police Establish-
ment into service for that office
also.

Royapettah being so dis-
tant from the Deputy and Pore-
wore Districts, if that office were
open three days out of each week,
it would prove a great public
convenience, and be appreciated
as such by all classes residing
in those districts. The other
three days of the week, the
Magistrate of the Deputy Office
could afford assistance to the
Magistrate of the Town Police
Office.

I have the honor to be,
Sir,
Your most obedt. Servant
Commissioner of Police

In order to allow the Engineer Department to commence the repairs of the Royapettah Police Office, request permission to remove into the House on the Pantheon Road and to entertain a sufficient Police Establishment for the Royapettah Police Office. The Superintending Engineer Presidency Division will be directed to complete, with all practicable expedition, the alterations and additions sanctioned under date 8th November 1856, Public Department, No. 1353.

2. A third Magistrate of Police for the Town of Madras having under the authority of the Supreme Government, just been appointed, the Right Honorable the Governor in Council directs the immediate entertainment by the Commissioner of Police and by the Magistrates respectively of the Establishments entered in the Statement submitted to the Government of India under date 29th March 1856.

3. The Government likewise approve Colonel Boulderson's proposal for opening the Vepery Police Court—to be held three days in each week—and request that he will submit for publication in the Fort Saint George Gazette, a notice defining the limits of the three Police Districts,—into which the Town of Madras is henceforward to be divided, in supercession of that published under date 6th November 1856.
