1. I have the honor to submit an Estimate of the cost for making an Almirah and a stationery Box which are greatly required for the Assistant Court and shall be obliged by your obtaining for me the sanction of the Judges for their construction-

2. There are at present three Almirahs in the Court, one of which is full to overflowing in consequence of the great number of Books, Pamphlets, Gazettes, Printed Decisions, Civil and Criminal &c &c which

which have been forwarded for the use of the Assistant Court by order of the Judges during the last 3 years. I have now no further Room to dispose of the future Volumes which will in ordinary course be received, and as the other two Almirahs are full of the Records required by me to keep the Court in operation, I am obliged to submit this requisition for permission to construct a 4th Almirah for the purpose above stated.—

3. A Box for keeping the Court's Stationery is much wanted by my establishment. At present the Stationery received for the Assistant Court on Indent from Madras is kept in a Desk which has been lent to my Head English Writer, and the Desk may at any time be reclaimed by the lender. A fitting receptacle for the public stationery appears under
