No. 29. Read the following letter from J. ROHDE, Esq., Inspector of Prisons; to E. MALTBY, Esq., Acting Chief Secretary to the Government of Fort St. George, dated Ootacamund, 1st September 1857, No. 277.

Sir,

I have the honor to bring to the notice of Government that, it appears to me desirable that the European Jailors should be furnished with Arms, and I know none better suited to their use than *Colt's* second size* Revolver. I should be glad if the Government would direct the supply either by instructing the Inspector General of Ordnance to supply them or by authorising me to send to England for them. I should require 20 with body belt, holster and pouch, powder-flask, caps and bullet moulds and spare springs.

(Signed) J. ROHDE,
Inspector of Prisons.
