Extract from the Minutes of Consultation under date the 5th January 1857.

Read the following letter from the Inspector of Prisons, Madras.

Forwarding for the sanction of Government the Contingent Bills of the several Jails for the Fusly 1264. } (Here enter 6th December 1856, No. 601.)

1. The Right Honorable the Governor in Council sanctions the contingent charges incurred in Fusly 1264 by the several Judicial Officers and Magistrates amounting, in the aggregate, to Rupees (252395-9-2¼) two lacs, fifty two thousand, three hundred and ninety-five, annas nine and pies two and quarter.

2. Of the sum sanctioned above, Rupees 237583-15-7¾, appertain to the maintenance, clothing and guarding of the Convicts, and the remainder, Rupees 14811-9-6½, constitutes the ordinary contingent charges connected with Jails, the aggregate being Rupees 41035-15-7¼ in excess of the total charges of the previous Fusly. This increase is apparently attributable chiefly to a larger number of Prisoners being under confinement, and to a rise in the price of grain.

3. The net cost to the State on account of Convicts, after deducting the value of their labor in public roads, &c. and the cost of Articles manufactured by them used in Public Works and sold, which is estimated at Rupees 129525-1-10¾, appears to be Rupees 108058-13-8¾, which with Rupees 14811-9-6½ the ordinary contingent charges, makes the total net expenditure for Fusly 1264, Rupees 122870-7-3¾.
