Med Board Office

To the Secretary Medical Board
Madras

Sir

With reference to the order published in the Fort
St George Gazette of the 11th ultimo granting me privilege
leave of absence for 30 days from my station of
Cuddalore. I have the honor to request that
you will be good enough to make an application
that my leave which terminates on the 17th instant
may be extended to the 27th instant to enable me
to join -

My services having been placed temporarily at
the disposal of the Commander in Chief (vide Fort
St George Gazette of the 28th ultimo), and the order
directing me to continue in my present appoint-
ment, until my services were required by the
Commander in Chief, having only been published
in the Fort St George Gazette of the 11th instant, I
was unable to make the necessary arrangements
to enable me to return to my duty at Cuddalore.
Exactly at the expiration of my leave - my
inability therefore to join on the 17th instant not being
the result of neglect on my part but arising from
the circumstances above mentioned - I trust that
the extension above named may be granted to me
without my being subjected to loss of allowances -

I have the honor to be

Sir
Your most obedient servant

Jacob, Zillah Surgeon of Cuddasah, for an extension of the privilege leave of 30 days granted to him in the Fort St. George Gazette of the 11th ultimo, from the 17th to the 27th instant, the Military Auditor General has the honor to report that under the decision of Government recorded in Minutes of Consultation (Public Works Department) of the 12th May 1837 N^o 913, no further privilege leave is available for the Assistant Surgeon during the present half year, but under the circumstances stated by him there would appear to be no objection to his having general leave for the period solicited to enable him to join -
