I have the honor to report, that with the view of guarding as far as possible the frontier of this District from the inroads of marauders, and to secure the receipt by the Magistracy of the earliest intelligence of any such making their appearance, I have found it necessary to employ the number of extra Peons exhibited in the annexed Statement, and I trust that the Right Honorable the Governor in Council will be pleased to sanction their employment for the present. They will not be retained longer than appears really necessary.
