Fort St. George, Judicial Consultation, 13th October 1857.

No. 24. From E. MALTBY, Esq., Acting Chief Secretary to the Government of Fort St. George; to the Secretary to the Government of India, dated 10th October 1857, No. 1313.

SIR,

1. I am directed by the Right Honorable the Governor in Council, to submit for the re-consideration and orders of the Government of India, the question respecting the sale and purchase of Government Securities by the Administrator General on behalf of Estates and Trusts committed to his charge.

2. In their report on the Accounts of this Officer for the half year ending 30th June 1857, the Auditors suggest, that it would prove more beneficial to the Estates if the sales and purchases were made by an establishment like the Bank of Madras instead of by the Administrator General himself. Although this proposal is at variance with the system at present pursued both at Bengal and Madras, and approved of by the Supreme Government, under date the 8th May 1857, No. 2003, Financial Department, still his Lordship in Council is of opinion that its adoption would be attended with advantage, and solicits the orders of the Right Honorable the Governor General of India in Council, on the subject.
