Fort St. George, Judicial Consultation, 13th October 1857.

No. 46 Read the following letter from W. ROBINSON, Esq., Acting Collector of Malabar; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort St. George, dated Calicut, 26th September 1857, No. 131.

Sir,

I have the honor to request the sanction of Government, to the following arrangement to enable me to place a Police Ameen with powers under Section 40, Regulation XI of 1816, Section 2, Regulation IV of 1821, and Act XXX of 1837, at Chavacherry, of Catteyam talook.

2. The Catteyam talook is one of the largest in the district. The statistics of the talook are given in the following statement.

Square miles.	Villages.	Population.	Amount Revenue.	No. of Ryots.	Miscellaneous Receipts.	Total Revenue.
487½	220	1,06,319	83,969	19,990	57,899	1,41,868

N. B. The Amshoms proposed to be provided with a permanently erected office were the scene of the frightful Mopla outbreak and tragedy of 1852.

3. It is one of the talooks which are making most rapid advances in wealth, and increase of population and cultivation, (chiefly pepper). The inhabitants are litigious, and the Mopla part of the population especially needs constant watching. It is quite beyond the power of the Tahsildar to do so effectively throughout the talook.

Umshoms.	Desoms.	Population.	Amount of land Revenue.	No. of Ryots.	Miscellaneous receipts.	Total Revenue.
Gunoth...	4	920	822	320	61	883
Velliambra...	6	3,103	2,164	1152	289	2,453
Chavasherry...	8	2,940	1,834	880	279	2,113
Pyche...	14	2,596	2,058	690	224	2,282
Shivapooram...	6	1,893	1,600	637	203	1,808
Morakoonoo...	12	3,153	2,196	582	206	2,402
Total.....	50	14,605	10,674	4,261	1,267	11,941

4. I propose to detach from under the head of Police, the 6 Amshoms or parishes shewn in the margin (with the statistics,) and to place them under a Police Ameen and Deputy Tahsildar, who will be located at Chavacherry, the most central part of the Sub Division.

5. Trunk Road No. 4 passes through 4 of the parishes. Chavacherry, Gunoth and Oolil are now large villages, the two first being the halting places for troops, and the neighbourhood already affords business for a diligent officer.

6. Chavacherry is to become at once the station of a District Moonsiff and branch Post Office.

7. The Amshoms proposed to be detached are from 10 to 30 miles distant from the Kusba.

8. To meet the increased outlay, I propose consolidating the pay of 3 offices as per margin, and constitute an useful office and a Cutwal at Gunavom.

The talook Peshkar is a petty sort of Police, and the two latter are mere petty Cutwals for the supply of travellers, and one only will be required when the more important and useful office is created.

9. The establishment which I would propose and for which I request sanction, is shewn in the margin. The necessary peons and writers I can detach from the talook office.

(Signed) W. ROBINSON, Acting Collector.
