SIR,

We have the honor, with reference to Extract from the Minutes of Consultation Judicial Department, No. 1243, dated 26th Ultimo, to inform you that, as it is very desirable on account of the improvements we are making in Washerman's Pettah, that the Police Tannah therein alluded to, should be built at once, we are disposed to execute the work and wait for payment of the cost thereof until after the 1st May 1858, on your agreeing to cause the bill for the amount to be paid to us at that period.

2. On hearing from you in the affirmative, we will direct our Civil Engineer to commence the work forthwith.

(Signed) B. CARDOZO,

(„) S. KRISHNAMACHARI,

*Municipal Commissioners
for the Town of Madras.*

Resolved that a copy of the foregoing letter be submitted, No. omitted and dated 3rd October 1857, for the orders of Government on the proposition of the Municipal Commissioners to build the Washerman Pettah Police Tannah immediately out of their own funds, provided that re-payment be guaranteed on the next Annual Budget, namely, for 1858-59, coming into operation. This matter involving considerations that are purely political, as regards the probable duration of financial pressure or derangement, no opinion can be hazarded with propriety by the Central Office of Public Works.

Ordered to be referred to the Judicial Department for consideration.
