Fort St. George, Judicial Consultation, 20th October 1857.

No. 61. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 13th October 1857, No. 137.

SIR,

With reference to the Extract from Minutes of Consultation, dated 10th October 1857, No. 1311, Judicial Department; forwarding for my opinion a letter from Mr. Brett, Magistrate of Salem, relative to one Baladava Row, stated to be a native of Baroda; I have the honor to suggest that Mr. Brett be required to send the man down to Madras, to enable the Police to make such further enquiries of him as may be deemed necessary. I beg to take this opportunity earnestly to recommend that persons of this class and all wandering Fackeers, Dervishes and Pundarums who are mostly idlers, discharged Sepoys or public servants, be prevented from entering the Madras territories and that all the Magistrates in the Provinces and all their Subordinates be strictly required to cause the return of all such persons and also of all native travellers, who may not be able to give a good and satisfactory account of themselves in the direction from whence they came. If this course is strictly followed, all the religious fanatics who now reside at Tripaty, Streerungum, Madura, and other places north and south of Madras, in consequence of finding their means of intercourse with their own countrymen removed, and their occupation gone, will most likely return to their own country, and we shall be rid of a lot of vagabonds.

(Signed) J. C. BOULDERSON,
Commissioner of Police.

No. 62. ORDER THEREON, No. 1379; dated 20th October 1857.

The Magistrate of Salem will be directed to send this person Baladava Row, to the Commissioner of Police for enquiry. It is observed that orders have been issued to the Magistracy in the Provinces respecting suspicious strangers who may enter their limits.

(Signed) E. MALTBY,
Acting Chief Secretary.
